1.3 Minimum Proposer Qualifications

Proposers are advised that the State’s intent is to ensure that only responsive, responsible, qualified and reliable contractors enter into a contract to perform the work as defined in this document.

The State considers the following qualifications to be a pre-requisite in order to be considered as qualified Proposer for purposes of the solicitation.

The following minimum requirements **must** be met by each proposer:

- Proposing firms must have been actively and normally engaged in maintenance, testing, and repairs for steam turbine driven centrifugal chillers, for a minimum of (5) five years.
- Proposing firms must have a minimum of two (2) qualified technicians with a minimum of three (3) years field experience on steam turbine driven centrifugal chillers.

1.4 Key Events

The Table below outlines the tentative schedule for important action dates.

Action	Date
OGS issues Request for Proposal (RFP) #1916	December 14, 2015
Mandatory Site Visit	January 12, 2016 @ 9:00am
OGS Question Deadline	January 26, 2016
OGS Issues a Response to Written Questions (estimated)	February 17, 2016
Proposal Due Date to OGS	April 5, 2016, 2:00pm
Contract Start Date	December 1, 2016

1.5 Mandatory Site Visit

Proposers intending to submit a proposal must attend a mandatory pre-proposal site visit in Albany, NY, on the date and time indicated in Section 1.4 - Key Events above. This is the only date and time available for inspection. Alternate dates for additional site inspections **will not** be available. Failure to attend the mandatory site visit will result in rejection of proposal. Prospective proposers arriving after the substantive portion of the site visit begins (as reasonably determined by the Facility Manager) will be precluded from attending the site visit, and therefore, unable to submit a responsive proposal.

The facilitator of the event will publicly announce the official start time of the mandatory pre-proposal site visit, which announcement shall be made no sooner than the scheduled start time stated in Section 1.4 - Key Events.

IMPORTANT: Due to security restrictions, Proposers must pre-register at least twenty four (24) hours in advance via e-mail with the OGS Designated Contact at the e-mail address in Section 1.2 - Designated Contact. The e-mail must include:

- Legal name of proposer (Contractor name)
- Name and title for each person attending
- E-mail address and telephone number for a person to contact regarding any updates to the RFP.

It is recommended that attendees arrive at the site visit location at least thirty (30) minutes prior to the scheduled time with photo identification.

In accordance with State Finance Law §139-j (3) (a) (3), this mandatory pre-proposal site visit is covered by a permissible subject matter exception. A vendor is authorized to speak with representatives other than Designated Contact(s) for the sole purpose of the mandatory site visit (to arrange attendance, during the conduct of the visit and to pose questions regarding the site).

The mandatory site visit will provide an opportunity for Proposers to see firsthand the Central Air Conditioning Plant and existing equipment located at the Empire State Plaza. Questions during the pre-proposal site visit will be permitted. It is suggested that the Proposer note the question and ask at the end of the tour.

Verbal answers are not official answers. All questions asked after the tour must be submitted via email to the designated contact for this solicitation no later than the date and time indicated in Section 1.4 Key Events. Official answers to all questions will be distributed in the form of an addendum via e-mail to all attendees of the mandatory site visit. Only answers provided by addendum are considered official.

2. PROPOSAL SUBMISSION

2.1 RFP Questions and Clarifications

Questions and requests for clarification regarding this RFP shall only be directed to:

Seth Stark, Contract Management Specialist I
OGS Division of Financial Administration, Contract Unit
32nd Floor, Corning Tower, Empire State Plaza
Albany, NY 12242
Phone: 1-518-474-5981
E-mail: seth.stark@ogs.ny.gov

Questions and requests for clarification are only accepted via e-mail or in writing. Official answers to questions will be provided via addendum.

Deadline for submission of questions will be as stated in Section 1.4 - Key Events.

2.2 Proposal Format and Content

In order for the State to evaluate bids fairly and completely, Proposers must follow the format set forth herein and must provide all of the information requested. All items identified in the following list must be addressed as concisely as possible in order for a bid to be considered complete. Failure to conform to the stated requirements may necessitate rejection of the bid.

Proposers are encouraged to include all information that may be deemed pertinent to their proposal. Proposers may be requested to provide clarification based on the State's evaluation procedure. Any clarification will be considered a formal part of the Proposer's original proposal. If further clarification is needed during the evaluation period, OGS will contact the Proposer.

Note: OGS reserves the right to request any additional information deemed necessary to ensure that the Proposer is able to fulfill the requirements of the contract.

2.2.1 Technical Proposal

2.2.1.1 Cover Letter

The cover letter must confirm that the Proposer understands all the terms and conditions contained in this RFP and will comply with all the provisions of this RFP. Further, should the contract be awarded to your company, you would be prepared to begin services on December 1, 2016 as indicated in Section 1.4 – Key Events. The cover letter must include the full contact information of the person(s) OGS shall contact regarding the proposal and must also include the name(s) of principal(s) of the company responsible for this contract, their function, and title. A Proposer Representative authorized to make contractual obligations must sign the cover letter.

2.2.1.2 Minimum Requirements

Proposers must submit information to confirm their ability to meet the minimum qualifications to provide services requested in this RFP as set forth in Section 1.3 – Minimum Proposer Qualifications.

Information provided should include:

- Client / project references that can confirm the Proposer has been actively and normally engaged in chiller maintenance, testing, and repair for a minimum of (5) five years, as well as identification of qualified technicians. (Note: this information can overlap with the reference information requested in 2.2.1.3 below.)

2.2.1.3 Experience and Qualifications

- Describe the number of years the firm has been maintaining, testing, and repairing steam turbine driven chillers
- Describe experience specifically working with equipment listed in section 1.1 Overview.
- Describe projects that the firm has successfully completed with emphasis on projects similar in scope to this project. Include the number of projects, scope of projects, makes and models of equipment serviced, and the location of the projects. Include reference contact information for the 3 largest projects.
- Identify the proposed personnel planned for working on this equipment. Include resume, credentials, experience, certifications, etc. (see Section 5.8)
- Identify key management staff of the Proposer and the role they will play in this project (if applicable). Include resumes, credentials, experience, etc.

2.2.1.4 Plan of Operation/Staffing Plan

1. Operational Plan

- Methodologies - Provide a detailed outline of plans and approach for providing all services required by the Scope of Work section of this RFP. This detail should include specific information containing the following:
 - What are the latest technologies and equipment being utilized by your company that you propose to utilize within this RFP?
 - Will work be performed by specialized teams?
 - Provide details of the hierarchy of various titles you proposed to use and their proposed duties.
 - Describe arrangements for transport for factory inspections.

2. Staffing Plan

- Provide address from which Technicians will be dispatched, or information that may be used to confirm ability to meet the two (2) hour emergency response time (see section 5.7.1).
- Provide proposed staffing plan, detailed to include roles and responsibilities, scheduled shifts and hours of the required staff as well as any additional staffing proposed. Proposed schedule must fall within the time frames designated in Section 5 –Detailed Scope of Work/Service Requirements.
- Plan must detail how you propose coverage in the event of vacation, sick days, etc.
- Proposed plan of staffing chain for addressing issues that arise.
- Whether any subcontractors be utilized, and their role. Provide details of arrangements for using OEM chiller manufacturer's representatives from Elliot, Dress-Rand/Murray, and Carrier (see Section 5.5)
- Submit a description of corporate training programs provided to proposed staff.

NOTE: Prospective bidders should note that prior experience has shown there needs to be at least two (2) service technicians, one (1) dispatcher, one (1) parts person and one (1) office person to provide an adequate level of maintenance service. While these are not requirements, Proposers should demonstrate how they will provide the level of service required to perform the scope of services identified herein.

2.2.2 Cost Proposal

Proposer shall submit a completed Cost Proposal Form (Attachment 1) in a separately sealed package within the proposal submission and must be clearly identified as the cost proposal. Each item must be

complete with no lines omitted. Proposer shall not provide alternative pricing or deviate from the Cost Proposal Form. Alternative pricing methodologies will not be considered and may result in the rejection of the proposal.

2.2.3 Administrative Proposal

- All other required completed forms from RFP Appendix B.
- Attachment 2 - Proposal Submission Checklist
- Important Notes:
 - Insurance – Proposers are reminded of the insurance requirements as described in Section 6.5. The selected Proposer will be required to provide all necessary documentation upon notification of selection.
 - M/WBE & EEO Requirements- Proposers are reminded of the requirements as described in Section 6.7.
 - Vendor Responsibility - Proposers are reminded of the requirement as described in Section 6.16, and are requested to complete the online questionnaire located on the OSC VendRep System website prior to bid submission. If the vendor has previously certified responsibility online, it shall ensure that the VRQ was recertified in the last 6 months.
 - Document Consistency - An award will only be made to the entity which has submitted the proposal. All submitted documents must be consistent with official name of proposing entity, FEIN and NYS Vendor ID number.
 - A Proposer shall be registered with the NYS Department of State as an entity authorized to conduct business in New York State either at the time the proposal is submitted or within thirty calendar days of being advised of tentative award. Failure to complete the registration process and be approved by the New York State Department of State within that thirty day time period may result in a rejection of the proposal.

2.3 Proposal Preparation

All proposals must be completed in ink or machine produced. Proposals submitted handwritten in pencil will be disqualified.

2.4 Packaging of RFP Response

Please submit four (4) originals of Attachment 1 – Cost Proposal Form clearly marked **“Cost Proposal” in a separate sealed envelope** from the Technical Proposal. No overt statements about costs shall be included in the Technical Proposal.

Submit four (4) originals of all required forms from RFP Appendix B and four (4) originals of the Technical Proposal.

Also submit an additional four (4) exact copies of the Technical Proposal, in 4 separate binders.

The proposal documents must be submitted by mail, hand delivery, overnight carrier or certified mail in a package showing the following information on the outside:

- Proposer 's complete name and address
- Solicitation Number – 1916
- Proposal Due Date and Time: (as indicated in Section 1.4 - Key Events)
- Proposal for Chiller Maintenance, Testing, and Repair

Failure to complete all information on the proposal envelope and / or packages may necessitate the premature opening of the proposal and may compromise confidentiality.

2.5 Instructions for Proposal Submission

Note that these instructions supersede the generic instructions posted on the OGS website bid calendar.

Only those Proposers who furnish all required information and meet the mandatory requirements will be considered.

Submit all required proposal documents including signed bid addenda if any, to the NYS Office of General Services - Division of Financial Administration at the following address:

**NYS Office of General Services
Financial Administration, Contract Unit
32ND Floor, Corning Tower Building, Empire State Plaza
Albany, NY 12242
Attn: Seth Stark
Bid # 1916**

E-MAIL OR FAX BID SUBMISSIONS ARE NOT ACCEPTABLE AND WILL NOT BE CONSIDERED.

The State of New York will not be held liable for any cost incurred by the Proposer for work performed in the preparation and production of a proposal or for any work performed prior to the formal execution and approval of a contract.

Proposals must be received in the above office on or before 2:00 PM on the date indicated in Section 1.4- Key Events. Proposers assume all risks for timely, properly submitted deliveries.

The received time of proposals will be determined by the clock at the above noted location.

NO CONSIDERATION WILL BE GIVEN TO PROPOSALS RECEIVED AFTER THE STATED DATE AND TIME.

Proposers mailing their proposals must allow sufficient mail delivery time to ensure receipt of their proposal at the specified location no later than the specified date and time. Delays in United States mail deliveries or any other means of transmittal, including couriers or agents of the bidding entity shall not excuse late proposal submissions. Similar types of delays, including but not limited to, bad weather or security procedures for parking and building admittance shall not excuse late proposal submissions. Proposers are cautioned that receipt of proposals in the OGS Mailroom is NOT sufficient, and that at least historically, one overnight carrier has been known to deliver its packages to the OGS Mailroom. OGS cannot be responsible for the actions of your chosen carrier.

Proposals must remain open and valid for 120 days from the due date, unless the time for awarding the contract is extended by mutual consent of NYS OGS and the Proposer. A proposal shall continue to remain an effective offer, firm and irrevocable, subsequent to such 120 day period until either tentative award of the contract(s) by OGS is made or withdrawal of the proposal in writing by Proposer. Tentative award of the contract(s) shall consist of written notice to that effect by OGS to the successful Proposer. This RFP remains the property of the State at all times, and all responses to this RFP, once delivered, become the property of the State.

Important Building Access Procedures for Delivered Bids:

Building Access procedures are in effect at the Corning Tower. Photo identification is required. All visitors must register for building access, for delivering bids. Vendors are encouraged to pre-register by contacting the OGS Finance Office at 518-474-5981 at least 24 hours prior to the bid opening. Pre-registered visitors are to report to the visitor desk located at the Concourse

level of the Corning Tower. Upon presentation of appropriate photo identification, the visitor will be allowed access to the building.

Upon arrival at the visitor desk, visitors that have not pre-registered will be directed to a designated phone to call the OGS Finance Office. The Finance Office will then enter the visitor's information into the building access system. Access will not be allowed until the system has been updated. Visitors are encouraged to pre-register to ensure timely access to the building. Vendors who intend to deliver bids or conduct business with OGS should allow extra time to comply with these procedures. These procedures may change or be modified at any time.

Visitor parking information can be viewed at the following OGS web site:

<http://ogs.ny.gov/BU/BA/Parking/Visitor/>

3. ADMINISTRATIVE INFORMATION

3.1 Issuing Office

This RFP is being released by the New York State Office of General Services, Financial Administration.

3.2 Method of Award

One contract shall be awarded under this solicitation to the responsive and responsible Proposer affording the best value to the State. The contract awarded under this solicitation will be made to the responsive and responsible Proposer receiving the highest point total using the evaluation criteria listed in Section 4 - Evaluation and Selection Process.

Upon determination of the best value proposal, a contract, between OGS and the successful Proposer, will be delivered to the successful Proposer for signature and shall be returned to the issuing office for all necessary State approvals. Upon final approval, a completely executed contract will be delivered to the Contractor.

The Grand Total bid amount of the selected Contractor, shall be used to establish the contract value. The established contract value shall not be exceeded.

3.3 Price

Proposers must submit their cost proposal for required services necessary to provide the State with the required deliverables using Attachment 1 marked "Cost Proposal Form." Any deviations, alterations, qualifiers, ranges, etc. included with the cost proposal will result in rejection of the proposal. Base bid prices shall include all proposed labor, equipment, materials, supplies, etc. to provide the specified service. All prices quoted shall be inclusive of all customs, duties and charges and shall be including but not limited to travel, insurance, administrative, profit and ancillary costs. The Contractor agrees that from the effective date of the contract until contract termination, the rates charged by the Contractor and paid for by OGS will be equal to or lower than any rates provided by the Contractor to other customers for like services. Each Cost Proposal must include:

3.3.1 Base Proposal

- **Item I: Base Proposal**
 - Shall be represented as the total amount for the scheduled / specified services.

3.3.2 Additional Services

For purposes of evaluating proposals on an equal basis an estimated quantity is listed on the bid form to be used to evaluate potential for any additional services.

- **Item II: Labor Rate**
 - Shall be represented as the Contractors' amount per hour for labor not covered in the base proposal.
- **Item III: Subcontractor Markup**
 - Markup on Additional Services work to be subcontracted and not performed by primary Contractor (markup not to exceed 20%)
- **Item IV: Material Markup**
 - Markup over actual cost for materials needed for additional services (not to exceed 30%)

- **Item V: Total for Additional Services**
 - Shall be the sum of items II, III, and IV of the Cost Proposal Form

3.3.3 Grand Total

- **Item VII: Grand Total**
 - Shall be the Grand Total Bid (sum of items I and V of the Cost Proposal Form) and will be used to determine the contract value.

3.4 Term of Contract

This contract will commence on December 1, 2016 and be in effect through November 30, 2021.

The State of New York retains the right to cancel this contract for convenience, provided that the Contractor is given at least thirty (30) days written notice of OGS' intent to cancel. Any cancellation by OGS under this section shall in no event constitute or be deemed a breach of any contract resulting from this RFP and no liability shall be incurred by or arise against OGS, its agents and employees therefore for lost profits or any other damages resulting there from. This provision should not be understood as waiving the State's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. See Section 6.15– Termination.

3.5 Price Adjustment (Escalation / De-escalation)

The Contractor is to submit a bid that will be fixed for one (1) year only. On each anniversary date of the contract, the Contractor will be granted an increase or decrease in their bid, dependent upon fluctuations in the Consumer Price Index for All Items, Northeast Urban, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. Visit their website at <http://www.bls.gov/data/> .

The 'base' month for determining adjustments will be the third month prior to the start date of the contract. The base month is fixed and will not be adjusted year to year. The adjustments will be based on the difference in the base month CPI for each applicable year and will become effective in the anniversary month. For example, if the contract is awarded in September 2015, the 'base' month will be June. If the contract allows for an adjustment after the first year, it would be based on the difference between the June 2015 CPI and the June 2016 CPI and become effective in September 2016. If the contract price is fixed for three years and allows an escalation thereafter, it would be based on the difference between the June 2017 CPI and the June 2018 CPI and become effective September 2018.

The Consumer Price Index is published around the middle of each month for the prior month (i.e. the January figure is not published until mid-February). The Contractor has the sole responsibility to request, in writing, a rate adjustment. This request must be received at the below address within three months of the base month. As long as the request is submitted and received within the required time frame, the adjustment will be processed using the base month Consumer Price Index. Once approved, the Contractor will be notified in writing. Contractor shall not submit revised invoices until such notification, at which point an invoice may be submitted for any retroactive difference owed.

Requests must be sent to:

NYS Office of General Services
Financial Administration, Contract Unit
Corning Tower, 32nd Floor, Empire State Plaza,
Albany, New York 12242.

Should a Contractor fail to submit their request, to the proper location, within three months of the applicable base month date, Contractor shall be deemed to have waived their right to any increase in price, but the State shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology.

3.6 Method of Payment

Payments will be processed by the State when products have been delivered in satisfactory condition or services have been satisfactorily performed. All invoices will be processed in accordance with established procedures of the New York State Office of General Services and the Office of the State Comptroller.

The item numbers below correspond to the payable items on Attachment 1 - Cost Proposal.

Item I - Base Proposal

A written report is to be submitted to the Director of Utilities Management or his designated representative within ten (10) working days after each inspection and servicing. This report will include a precise description of services provided to the system and equipment, number and names of technicians involved. Payment will not be approved without this documentation.

Invoices for payment shall be submitted for services satisfactorily completed and submitted on a company invoice.

Items II, III, and IV - Additional Services

Additional services shall be defined as work including labor and materials as requested and pre-approved by the Director of the OGS Real Property Management & Facilities Group or his/her designee and performed by the Contractor, not covered in the base proposal scope of services pursuant to this RFP. Examples of additional services may include; emergency work, modifications and/or improvements as well as factory repairs, etc.

Additional services must be prior approved by the Director of the OGS Real Property Management & Facilities Group or his/her designee. When the work is successfully completed and approved by the Facility Manager, the Contractor shall submit an invoice for payment with the approved work authorization letter and any supporting documentation as required attached.

3.7 General Payment Terms

Invoices will be processed in accordance with established procedures of the Office of General Services and the Office of the State Comptroller (OSC) and payments will be subject to the prompt payment provisions of Article XI-A of the New York State Finance Law.

Each invoice must be itemized and include the following information: Contract ID number (i.e.: OGS01-C00XXXX-1140000); Company FEIN; Vendor ID number; Date(s) of Service; a unique invoice number, and a detailed description of services performed.

Invoices without the above stated information will be returned to Contractor to be completed as required in the paragraph above. **Payment will not be issued and will not be due and owing until a corrected invoice is received and approved by OGS.** All Invoices are to be submitted for payment to:

**The OGS Business Service Center
Accounts Payable
Empire State Plaza Station
P. O. Box 2117
Albany, New York 12220 -0117**

-or-

accountspayable@ogs.ny.gov

3.8 Electronic Payments

Contractor shall provide complete and accurate billing invoices in order to receive payment. Billing invoices submitted must contain all information and supporting documentation required by the contract, the agency, and the State Comptroller. Payment for invoices submitted by the contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by e-mail at epunit@osc.state.ny.us, or by phone at 518-474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

Please note that in conjunction with New York State's implementation of a new Statewide Financial System (SFS), the Office of the State Comptroller requires all vendors doing business with New York State agencies to complete a substitute W-9 form. Vendors registering for electronic payment can complete the W-9 form when they register. Vendors already registered for electronic payment are requested to go to the above website and complete the Substitute W-9 form and submit following the instructions provided.

3.9 Past Practice

The failure to exercise any right hereunder in the past shall not operate as a waiver of such right. No breach of this Agreement shall be deemed waived unless such waiver shall be in writing and signed by the party claimed to have waived. No waiver of any breach of the Agreement at any time in the past shall constitute a waiver of subsequent breach.

3.10 Exceptions and Extraneous Terms

The Issuing Office will consider all requests to waive any solicitation requirement. The Term "solicitation requirement" as used herein shall include any and all terms and conditions included in the solicitation documents. Proposers should be aware that failure to obtain a waiver of any proposal requirement in advance of submission, and/or inclusion of extraneous terms in the form of exceptions, assumptions, qualifiers, ranges, modifications, etc. with proposal submission, may result in rejection of Proposer's proposal and disqualification from the RFP process.

Proposers wishing to obtain an exemption or waiver for any part of this solicitation must contact the Issuing Office in writing by the 'Questions Due Date' as identified in Key Events (Section 1.4). The request must cite the specific section and requirement in question, and clearly identify any proposed alternative. Requests will be considered and responded to in writing, either with the 'Answers to Questions' as identified in Key Events (if the response results in a change to the RFP), or directly to the requesting vendor.

3.11 Dispute Resolution

It is the policy of the Office of General Services' Financial Administration to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to proposal solicitations, contract awards, and contract administration. OGS Financial Administration encourages vendors to seek resolution of disputes informally, through consultation with OGS Financial Administration staff, prior to commencing a formal dispute process. All such matters will be accorded full, impartial and timely consideration. A copy of the OGS Financial Administration Dispute Resolution Procedures for Vendors may be obtained by contacting the designated contact person identified in the solicitation.

3.12 Examination of Contract Documents

- Each Proposer is under an affirmative duty to inform itself by personal examination of the specifications of the proposed work and by such other means as it may select, of the character, quality and extent of the work to be performed and the conditions under which the contract is to be executed.
- Each Proposer shall examine specifications and all other data or instruction pertaining to the work. No pleas of ignorance of conditions that may be encountered or of any other matter concerning the work to be performed in the execution of the contract will be accepted by the state as an excuse for any failure or omission on the part of the Proposer to fulfill every detail of all the requirements of the documents governing the work. The Proposer, if awarded the contract, will not be allowed any extra compensation by reason of any matter or thing concerning which such Proposer might have fully informed itself prior to bidding.
- Any addendum issued prior to the proposal due date must be acknowledged by signature, dated and be submitted on or before the proposal due date. In awarding a contract any written addenda will become a part thereof.
- Any verbal information obtained from, or statements made by, representatives of the Commissioner of General Services shall not be construed as in any way amending contract documents. Only such corrections or addenda as are issued, in writing, shall become a part of the contract.

3.13 Prime Contractor Responsibilities

The State will contract only with the successful Proposer who is the Prime Contractor. The Issuing Office considers the Prime Contractor, the sole Contractor with regard to all provisions of the RFP, and the contract resulting from the RFP.

No subcontract entered into by the Contractor shall relieve the Contractor of any liabilities or obligations in this RFP or the resultant contract. The Contractor accepts full responsibility for the actions of any employee or subcontractor who carry out any of the provisions of any contract resulting from this RFP.

3.14 Glossary of Terms

“Issuing Office” shall mean the Office of General Services Division of Financial Administration.

“Contractor” shall mean a successful company(s) awarded a contract pursuant to this RFP.

“Request for Proposal” or “RFP” shall mean this document.

The “State” shall mean The People of the State of New York, which shall also mean the New York State Office of General Services.

“Commissioner” shall mean the Commissioner of General Services or duly authorized representative.

“Offeror,” “Proposer,” or “Bidder” shall mean any person, partnership, firm, corporation or other authorized entity submitting a bid to the State pursuant to this RFP.

“OGS” shall mean Office of General Services

3.15 Rules of Construction

Words of the masculine and feminine genders shall be deemed and construed to include the neuter gender. Unless the context otherwise indicates, the singular number shall include the plural number and vice versa, and words importing persons shall include corporations and associations, including

public bodies, as well as natural persons. The terms “hereby,” “hereof,” “hereto,” “herein,” “hereunder,” and any similar terms, as used in this RFP, refer to this RFP.

4. EVALUATION AND SELECTION PROCESS

4.1 Proposal Evaluation

Responsive proposals will be evaluated and scored based upon the criteria set forth in this Section. Proposals will be evaluated for best value to the State.

A team of OGS employees will evaluate each proposal and initially determine whether a proposal is responsive to the requirements of the Solicitation.

Key corporate personnel from the Proposers submitting responsive proposals must attend an interview with the Technical Evaluation Team, which will be held at the Real Property Management conference room in Albany. The Proposer will be requested to make a presentation covering the major points of its proposal. The Technical Evaluation Team will ask questions related to the technical scope of the proposal. The interview will be held on a date and time to be designated by OGS. Information learned during the interview will be considered in the technical scoring. In addition to key corporate personnel being present for such interview, OGS would request the presence of key onsite personnel.

OGS also reserves the right to conduct reference checks. In such cases, the Proposer shall be responsible for the availability of the reference contacts.

The technical evaluation team will subsequently evaluate and score each responsive proposal for items A and B listed below.

OGS Division of Financial Administration will evaluate all cost proposals from responsive Proposers. The cost proposal with the lowest total fees will be awarded the maximum possible points, (refer to item D listed below). Each subsequent proposal will receive a proportionate number of points.

For Item C. the evaluation team will award 2.5% of possible evaluation points if proper certification declaring MWBE and/or Small Business criteria is met.

Scores from each of the Proposers, including items A-D listed below, will be totaled and the Proposer having the highest score will be ranked number one; the Proposer with the second highest total score will be ranked number two and so on.

4.1.1 Evaluation Items

A. **PROPOSER EXPERIENCE AND QUALIFICATIONS (35%)**

Each Proposal will be evaluated as to the extent by which Proposer's relevant experience (including that of its proposed employees) and length of service in both the industry and with the Proposer, exceeds the minimum requirements.

B. **PLAN OF OPERATION/STAFFING PLAN(12.5%)**

Each Proposal will be evaluated as to the completeness of and the extent to which the operational / staffing plan information meets the goals and requirements of the Solicitation.

C. **MWBE or SBE status (2.5%)**

- The Proposer is a New York State Certified Minority-Owned Business **or**
- The Proposer is a New York State Certified Women-Owned Business **or**
- The Proposer is a Small Business as defined in Executive Law Section 310(20)

Note: Although, a Proposer may meet more than one of the criteria, credit is to be awarded for only one category, not multiple categories.

D. Price (50%)

The Grand Total Bid Amount will be evaluated in relation to all cost proposals submitted by responsive Proposers.

4.2 Notification of Award

After the evaluation, all Proposers will be notified of the name of the selected Proposer. The selected Proposer will be notified that their submitted proposal has been selected and that a contract will be forthcoming for execution. The original proposal, and any additions or deletions to the proposal become part of the contract.

Public announcements or news releases pertaining to any contract resulting from this solicitation shall not be made without prior approval from the Issuing Office.

5. DETAILED SCOPE OF WORK/SERVICE REQUIREMENTS

5.1 Scope of Contract

It is the intent of this solicitation to seek a Contractor to supervise and supply all personnel for the disassembly, inspection, preventative maintenance /repair, reassembly of the compressors and turbines for the 4500 Ton Carrier Water Chillers specified hereinafter located at the Empire State Plaza Central Air Conditioning Plant.

5.2 General Requirements

- The Contractor shall be completely responsible for their work, including any damages or breakdowns caused by their failure to take appropriate action.
- It is the Contractor's responsibility to maintain the equipment and materials provided for the work consistent with applicable safety and health codes.
- The Contractor shall be responsible to provide all labor and tools required for service of the equipment.
- OGS intends to supply all parts and materials necessary to perform the services requested herein, and may require Contractor to procure such parts and be reimbursed by OGS at the Material Mark-up rate bid in Attachment 1 "Cost Proposal."
- Contractor is responsible for assuring that all Carrier- Elliott and Dressler-Rand / Murray specifications, tolerances and clearances are maintained
- All work should be consistent with OEM operation and maintenance manual(s).

5.3 Equipment to be Serviced

The equipment listed below consists of the major components and parts to be serviced at the facility. The Contractor shall be responsible for any other components not specifically listed that are supplemental to and a part of the operation of the overall system for the facility. Prospective Contractors must personally verify all quantities of equipment listed:

Turbines:

Four (4) Elliot Steam Turbine Units- (Model # SQV-5).
One (1) Dresser-Rand/Murray-(Model KD7M).

Compressors:

Five (5) Carrier Chiller Refrigeration Compressors (Model-17P400)
One (1) Carrier Refrigeration Compressor (Model-17FA)

Below are the current major components of each of the 5 Carrier chiller units for service

Carrier Refrigeration Compressor (Model# 17P400)
Elliot Steam Turbine (Model #SQV-5) (Chillers #1 through #4)
Dresser-Rand /Murray steam turbine (Model KD7M) (Chiller #5 only)
Carrier Refrigerant Condensers
Carrier Refrigerant Evaporators
Graham steam Condensers

Note:

Unit #2 has a side stream Carrier Refrigeration Compressor Unit (Model 17-FA) with a 2000 ton rating and is driven by a 1750 HP Siemens electric motor and a Lufkin model # N1202C gearbox.

Unit #5 has a Dresser-Rand /Murray steam turbine (Model KD7M)

5.4 Schedule of Services

Service representatives are to schedule with the OGS Director of Utilities Management or his designated representative seven (7) days prior to reporting to the building, for permission to

accomplish all work. The personnel being scheduled must be identified, and credentials provided upon request.

The following is an annual breakdown of the anticipated schedule of maintenance and testing services required for the equipment listed above.

New York State Office of General Services reserves the right to change or modify the existing schedule at no extra cost to the State.

YEAR 1 - 12/01/2016 through 11/30/2017

Item 1:Eddy Current Testing

- a. Test Steam Condensers (units 1 & 3)
- b. Test Evaporators (units 1 & 3)
- c. Test Refrigerant Condensers (units 1 & 3)

Item 2:Class A Inspection & Turbine Lift

- a. Dresser-Rand/Murray Turbine (unit- 5)

Item 3:Annual Class B Inspection of Turbines

- a. Elliott Turbines for (units 1, 2, 3, & 4)

Item 4:Annual Compressor Inspection

- a. Carrier Compressor for (units 1, 2, 3 & 4)

Item 5:Complete Internal Compressor Inspection

- a.Carrier Compressor (unit 5)

YEAR 2 - 12/01/2017 through 11/30/2018

Item 6:Eddy Current Testing

- a. Test Steam Condensers (unit 5)
- b. Test Evaporators (unit 5)
- c. Test Refrigerant Condensers (unit 5)

Item 7:Class A Inspection & Turbine Lift

- a. Elliott Turbine (unit 3)

Item 8:Class B Inspection of Turbines

- a. Elliott Turbines (units 1, 2, 4, & 5)

Item 9:Annual Compressor Inspection

- a. Carrier Compressor (units 1, 2, 4, & 5)

Item 10:Complete Internal Compressor Inspection

- a. Carrier Compressor (unit 3)

YEAR 3 - 12/01/2018 THROUGH 11/30/2019

Item 11:Eddy Current Testing

- a. Test Steam Condensers (units 2 & 4)
- b. Test Evaporators (units 2 & 4)
- c. Test Refrigerant Condensers (units 2 & 4)

Item 12:Class A Inspection & Turbine Lift

- a. Elliott Turbine (unit 4)

Item 13:Annual Class B Inspection of Turbines

- a. Elliott Turbines (units 1, 2, 3 & 5)

Item 14:Annual Compressor Inspection

- a. Carrier Compressor (units 1, 2, 3 & 5)

Item15: Complete Internal Compressor Inspection

- a. Carrier Compressor (unit 4)

YEAR 4 -12/01/2019 THROUGH 11/30/2020

Item 16:Eddy Current Testing

- a. Test Steam Condensers (units 1 & 3)
- b. Test Evaporators (units 1 & 3)
- c. Test Refrigerant Condensers (units 1 & 3)

Item 17:Class A Inspection & Turbine Lift

- a. Elliott Turbine (unit 1)

Item 18:Annual Class B Inspection of Turbines

- a. Elliott Turbines (units 2, 3, 4 & 5)

Item 19:Annual Compressor Inspection

- a. Carrier Compressor (units 2, 3, 4 & 5)

Item 20:Complete Internal Compressor Inspection

- a. Carrier Compressor (unit 1)

YEAR 5 - 12/01/2020 THROUGH 11/30/2021

Item 21:Eddy Current Testing

- a. Test Steam Condensers (unit 5)
- b. Test Evaporators (unit 5)
- c. Test Refrigerant Condensers (unit 5)

Item 22:Class A Inspection & Turbine Lift

- a. Elliott Turbine (unit 2)

Item 23:Annual Class B Inspection of Turbines

- a. Elliott Turbines (units 1, 3, 4 & 5)

Item 24:Annual Compressor Inspection

- a. Carrier Compressor (units 1, 3, 4 & 5)

Item 25:Complete Internal Compressor Inspection

- a. Carrier Compressor (unit 2)

5.5 Service Requirements (Carrier Chillers)

The following shall be included as part of the base proposal services for the purposes of this contract:

5.5.1 Annual Steam Turbine Class B Inspection

(Yearly on four (4) turbines (Item A on cost proposal))

1. Turbine Inspection:

- a. Remove and inspect coupling.
- b. Check (cold) shaft alignment & record readings. (See Section 5.5- F) for shaft alignment check).
- c. Check shaft run out clearance and record.
- d. Inspect oil seal rings and replace, if necessary.
- e. Inspect, check, and record all bearing clearances. Replace as necessary.
- f. Check and record thrust bearing clearance.
- g. Remove thrust bearing shoes and inspect. Replace if necessary.
- h. Inspect thrust collar surfaces.
- i. Install thrust bearing and check axial clearance and record.
- j. Inspect and adjust governor magnetic pickups.

- k. Inspect and adjust governor actuator and steam admission valve linkages.
- l. Inspect and clean turbine lube oil system.
- m. Install coupling and lubricate

2. Operational Test

Each machine shall be operationally tested each year of the service contract.

A. Safety Checks:

- a) Overspeed test
- b) Overspeed re-test
- c) Test manual Overspeed trip
- d) Check lube oil pressure
- e) Turbine oil sump level

- I. State of New York personnel will bring chiller on line for operational testing and safety testing. Contractor is to be available for start-up test.
- II. Upon completion of operational test, contractor shall remove coupling and perform hot check and record shaft alignment readings. (See Section 5.5) for shaft alignment check).
- III. Install coupling and lubricate.
- IV. Check minimum and maximum speed settings. Reset is necessary so that minimum and maximum speeds are achieved.

B. Shaft Alignment Check

- a) All shaft alignment checks shall be done utilizing laser technology.
- b) There shall be two cold check alignments per machine each year (one prior to inspection and one after the inspection).
- c) There shall be one hot check alignment per machine each year.
- d) Each shaft alignment check shall be recorded on an approved form.
- e) Each report shall provide Vertical & Horizontal Offset, Vertical & Horizontal Angularity and provide recommendations for correcting misalignment between the turbine and compressor shafts.

5.5.2 Turbine Class A Inspection & Turbine Lift (Teardown)

One (1) steam turbine per year (Item B on cost proposal)

It will be the Contractor's responsibility to make arrangements and absorb all cost with the Elliott Turbine Co. and or Dressler-Rand / Murray for the following inspection.

1. Turbine Disassembly:

Note: Work must be performed under the direct on-site supervision applicable manufacturer's representative.

- a. Remove and inspect coupling.
- b. Check (cold) shaft alignment & record readings. (Section 4.4 (F) for shaft alignment check).
- c. Disconnect all steam, oil and linkages from turbine casing.

- d. Remove governor magnetic pickups.
- e. Remove turbine cover.
- f. Inspect oil seal rings.
- g. Check shaft run out clearance and record.
- h. Check and record clearances of diaphragm packing labyrinths on each stage.
- i. Remove and inspect bearing and Labyrinth seal housings.
- j. Check and record clearances of exhaust and steam and packing Labyrinths.
- k. Inspect, check and record all bearing clearances.
- l. Remove thrust bearing and inspect.
- m. Remove rotor from turbine casing.
- n. Remove and inspect all diaphragms for erosion and cracks.
- o. Remove steam chest cover.
- p. Inspect valves and valve seats for wear. Also inspect valve and steam chest cover assembly linkages, bushings, bearings, gaskets, washers, locknuts and springs.
- q. Inspect turbine lube oil system piping, reservoir tank and pumps.

2. Factory Inspections:

Any Services or repairs arising from this inspection will be paid as additional services at the Time & Materials rates

- a. Transport rotor to Elliott or Dressler /Rand Murray for inspection.
 - I. Clean, indicate fair blading as required, polish all diameters, magnaflux and dynamically balance.
 - II. Sandblast with aluminum oxide 220 grit.
- b. Transport turbine cap complete with steam chest to Elliott or Dressler /Rand Murray for factory inspection. Remove all upper half casing diaphragms and inspect.
- c. Transport all diaphragms to Elliott or Dressler /Rand Murray for factory inspection. Magnaflux and sandblast with aluminum oxide 220 grit.

3. Turbine Reassembly:

Note: Work must be performed under the direct on-site supervision of an Elliott Turbine Co. Representative or a Dresser-Rand/Murray representative (decision to be NYS choice).

- a) Reassemble turbine and establish original design specification clearances for:
 - I. Bearing.
 - II. Thrust Bearing.
 - III. Steamed and exhausted packings.
 - IV. Upper and Lower diaphragm packings all stages.
 - V. Thrust bearing and check axial clearance and record clearances.
 - VI. Rotor alignment within turbine casing.
- b) Install lower casing diaphragms
- c) Adjust and shim bearing block housings to ensure proper rotor alignment.
- d) Install new bearing liners and check and record clearances.
- e) Check exhaust and steam end packing clearances and record clearances.

- f) Check packing diaphragm clearances and record clearances.
- g) Install new thrust bearing shoes and check axial float clearance and record clearances.
- h) Install new oil seal rings on rotor.
- i) Install rotor assembly.
- j) Install turbine cap.
- k) Inspect and adjust linkages.
- l) Inspect lube oil system.
- m) Inspect main oil pump coupling and replace if necessary.
- n) Inspect and adjust governor.
- o) Check (cold) shaft alignment & record readings. (See Section 5.5– F) for shaft alignment check).
- p) Install turbine coupling and lubricate.

4. Operational Test

Each machine shall be operationally tested each year of the service contract.

1. Safety Checks:

- a) Overspeed test
 - b) Overspeed re-test
 - c) Test manual Overspeed trip
 - d) Check lube oil pressure
 - e) Turbine oil sump level
- I. State of New York personnel will bring chiller on line for operational testing and safety testing. Contractor is to be available for start-up test.
 - II. Upon completion of operational test, contractor shall remove coupling and perform hot check and record shaft alignment readings. (See Section 5.5) for shaft alignment check).
 - III. Install coupling and lubricate.
 - IV. Check minimum and maximum speed settings. Reset is necessary so that minimum and maximum speeds are achieved.

2. Shaft Alignment Check

- a) All shaft alignment checks shall be done utilizing laser technology.
- b) There shall be two cold check alignments per machine each year (one prior to inspection and one after the inspection).
- c) There shall be one hot check alignment per machine each year.
- d) Each shaft alignment check shall be recorded on an approved form.
- e) Each report shall provide Vertical & Horizontal Offset, Vertical & Horizontal Angularity and provide recommendations for correcting misalignment between the turbine and compressor shafts.

5.5.3 Carrier 17P400 Teardown Overhaul Inspection

One (1) Compressor inspection per year except for Chiller #2 which has two (2) compressors (Item C on cost proposal)

It will be the Contractor's responsibility to make arrangements and absorb all cost with Carrier for the following inspection.

1. Compressor Inspection:

- a) Remove coupling and inspect coupling halves and hubs.
- b) Check shafts alignment and record cold readings. (See Section 5.5 for shaft alignment check).
- c) Remove inspection cover(s) and check shaft bearing and thrust bearing; thrust bearing clearance, journal bearing clearance and record.
- d) Remove and inspect shaft bearing and thrust bearing. Replace as necessary.
- e) Disassemble, inspect and clean compressor main lube oil pump and sump.
- f) Inspect auxiliary oil pump and seal pump.
- g) Remove compressor seal and check clearances.
- h) Remove the guide vane assembly. Inspect vanes and cabling.
- i) Remove inner barrel assembly and disassemble.
- j) Measure all labyrinths to diaphragm clearances and record.
- k) Ship required materials to Carrier Corporation for inspection (See Section 2. below for factory inspection)

2. Factory Inspections:

Transport rotor and diaphragms to Carrier for inspection.

- I. Clean, indicate fair blading as required, polish all diameters, magnaflux and dynamically balance.
- II. Sandblast with aluminum oxide 220 grit.

Any services or repairs arising from this inspection will be paid as additional services at the Time & Materials rates

3. Reassemble Compressor:

Work must be performed under the direct on-site supervision of Carrier representative.

- a) Reassemble compressor.
- b) Measure, check, and record diaphragm clearance of:
 - I. Labyrinth to diaphragm clearances.
 - II. Check seal clearance.
 - III. Check bearing clearances.
 - IV. Check thrust bearing clearances.
 - V. Check axial float clearance.
 - VI. All recommended manufacturer clearances are to be measured and recorded.
- c) Reassemble compressor lube oil system.

- d) Pressure leak test compressor and oil systems and repair leaks related to work performed on compressor and oil system.
- e) Check shaft alignment and record readings (cold).
- f) Install coupling and lubricate.

5.5.4 Carrier 17P400 Annual Bearing Inspection

Four (4) 17P400 Compressors per year (Item D on cost proposal)

4. Compressor Inspection:

- a) Remove coupling and inspect coupling halves and hubs.
- b) Check (cold) shaft alignment and record readings. (See note for shaft alignment)
- c) Remove thrust bearing inspection cover and check shaft bearing and thrust bearing clearances and record.
- d) Remove and inspect shaft bearing and thrust bearing. Replace as necessary.
- e) Remove seal end bearing inspection cover and check bearing and seal clearances.
- f) Remove seal and inspect.
- g) Remove seal end bearing and inspect.
- h) Replace seal and seal end bearing, as necessary.
- i) Recheck clearances and record. All clearances are cold clearances; packing and bearing clearances are cold diametrical.

5.5.5 Compressor #2 17FA Compressor Drive Inspection

Inspected Annually (Item E on cost proposal)

1. Motor Starter

- a) Medium voltage side – NY SOGS to inspect / clean / tighten terminations
- b) Contractor – vacuum out low voltage side, tighten terminations

2. Compressor – 17FA

- a) Check base bolt tightness
 - b) Check for oil leaks
 - c) Oil analysis
 - d) Replace oil filters
 - e) Replace oil reclaim strainers
 - f) Remove compressor / gear coupling; Inspect coupling
 - g) Check alignment gear / compressor (cold)
 - h) Brush clean oil cooler heat exchanger
 - i) Remove compressor inspection cover
-
- I. Inspect compressor sump assembly
 - II. Inspect shaft journal bearing(s); Record bearing clearance(s)
 - III. Inspect thrust bearing; Record bearing clearance

3. Gear – Lufkin

- a) Check for oil leaks
- b) Check oil level
- c) Check bolt tightness at base
- d) Oil analysis
- e) Change oil yearly
- f) Filter change
- g) Clean oil cooler
- h) Check Gears for wear pattern
- i) Check gear / motor coupling (re-lubricate)
- j) Check alignment gear / motor (cold)
- k) Check operation of auxiliary pump
- l) Check gear alignment / wear patterns
- m) Check thrust bearing clearance
- n) Check journal bearing clearance
- o) 3 years – inspect bearings

4. Motor – Siemens

- a) Check for oil leaks.
- b) Check base bolt tightness
- c) Check alignment
- d) Check oil levels in bearings
- e) Change oil in bearings/oil analysis
- f) 3 years – inspect bearings

5.5.6 Carrier 17FA Compressor Driveline Teardown Overhaul

Once within the 5 year contract – to be scheduled the same year as #2 17P Compressor overhaul (Item F on cost proposal)

1. 17FA Compressor Disassembly / Inspection

- a) Remove coupling and inspect coupling halves and hubs
- b) Check shaft alignment and record cold readings (See section xx for shaft alignment check)
- c) Remove inspection cover(s) and check shaft journal bearings, thrust bearing; thrust bearing clearance, journal bearing clearance and record.
- d) Remove guide vane assembly. Inspect vanes and cabling
- e) Disassemble compressor assembly
- f) Disassemble, inspect and clean compressor main lube oil pump and sump.
- g) Megger check oil pump windings
- h) Inspect auxiliary seal oil drain pump
- i) Measure all labyrinths to diaphragm clearances and record

- j) Ship required materials to Carrier Corporation for inspection (See section 5.5 for factory inspection)

2. 17FA Compressor Reassembly

Work must be performed under the direct on-site supervision of Carrier representative.

- a) Reassemble compressor
- b) Measure, check and record diaphragm clearance of:
 - I. Labyrinth to diaphragm clearances
 - II. Check seal clearances
 - III. Check bearing clearances
 - IV. Check axial float clearance
 - V. All recommended manufacturer clearances are to be measured and recorded
- c) Reassemble compressor lube oil system
- d) Pressure leak test compressor and oil system and repair leaks related to work performed on compressor and oil system
- e) Check shaft alignment and record readings (cold)
- f) Install coupling and lubricate

3. Gear – Lufkin

- a) Check for oil leaks
- b) Drain gear oil sump
- c) Check base bolt tightness
- d) Remove compressor / gear; gear / motor couplings
- e) Remove transmission top cover
- f) Inspect gear general condition
- g) Check gear meshing by prussian blue dye check.
- h) Check and record journal / thrust bearing clearances
- i) Remove and inspect journal / thrust bearings
- j) Clean sump
- k) Replace oil filters
- l) Brush clean oil cooler heat exchanger
- m) Check gear / motor coupling (re-lubricate)
- n) Check alignment gear / motor (cold)
- o) Check operation of auxiliary pump
- p) Check gear alignment / wear patterns
- q) Check thrust bearing clearance
- r) Check journal bearing clearance

5.5.7 Eddy current test (Carrier Chillers) (Item G on Cost Proposal)

It shall be the responsibility of the Contractor to perform an Eddy current test for each chillers at the discretion of the Facility Manager.

1. The following is a breakdown by year of the units to be tested:

- a) Chillers 1 and 3 - Steam and Refrigerant Condensers and Cooler (2015-2016).

- b) Chiller 5 - Steam and Refrigerant Condensers and Cooler (2016-2017).
- c) Chillers 2 and 4 - Steam and Refrigerant Condensers and Cooler (2017-2018).
- d) Chillers 1 and 3 - Steam and Refrigerant Condensers and Cooler (2018-2019).
- e) Chiller 5 - Steam and Refrigerant Condensers and Cooler (2019-2020).

2. The primary objectives of the Eddy Current Test for condenser and cooler tubes in chillers and the steam condenser tubes located below the chillers are:

- a) To monitor the existence of damaging mechanisms like corrosion, erosion, stress cracking, vibrational wear, fatigue or chemical attacks inside and outside of the tubes.
- b) To detect existence of inside diameter pitting, tube support wear, stress corrosion cracks, fatigue cracking or freeze bulging and cracking.
- c) To analyze the findings of the test and determine necessary corrective measures to be taken to prevent possible tube failures, which would disable the chiller.

3. This Eddy current test shall be performed using the following procedures that will be applied during that test:

- a) Heads of the chiller will be removed and replaced by the State.
- b) All tubes will be tested by an Eddy Current inspection probe.
- c) The tubes will be cleaned by the State prior to testing to remove all loose materials, which may restrict passage to inspection probe.
- d) The inspection system shall be calibrated to such a degree of sensitivity that defects equal to 20% or greater (also calibrated in thousandths of an inch) wall loss will be detected.
- e) Differentiation between damages originating on the outside vs. the inside surfaces of the tube shall be assured by proper selection of frequency of inspection.
- f) The Eddy Current instrument shall be calibrated at the start and end of each shift and at least once every four hours of operation. The instrument shall also be recalibrated for each change of tube alloy, size of configuration, and at any time when there is any indication of possible malfunction in the inspection system. If it is determined that the inspection system has malfunctioned all tubes inspected since the previous calibration, shall be re-inspected.
- g) The probe shall be inserted in each tube and the tube inspected as the probe is being withdrawn at a maximum rate of 50 feet per minute.
- h) The data must be analyzed on-site, as it is taken. The data for each tube shall be recorded on data sheets to be incorporated with the final report. Permanent strip chart records shall be generated for each tube and shall become the property of the State of New York.
- i) Staging or metal scaffolding shall be used to permit the operator to insert the inspection probe inside tube bundles whose top most row of tubes is above 6 feet from the floor. Ladders are unsuitable and dangerous for this work. Staging to be furnished by the State.

4. Equipment Required For Eddy Current Test

Any of several commercially available Eddy Current systems are acceptable for this work. Systems modified by the user to provide greater sensitivity or additional capabilities are also acceptable.

As a minimum, the system employed shall contain:

- a) The basic Eddy Current instrument.
- b) A storage oscilloscope, either self-contained or integral with the Eddy Current instrument.
- c) Eddy Current probes having a fill-factor of 0.75 or greater.
- d) Serialized, traceable calibration standards, or the same tube alloy, configuration (i.e. finned, prime- surface, skip finned, etc.) outside diameter and wall thickness as the tubes to be inspected.
- e) The Eddy Current instrument, the oscilloscope shall have been calibrated within 12 months prior to the inspection. The Contractor shall have an established calibration procedure and calibration records available, if requested.

5. Personnel Required For Eddy current test

- a) All inspection personnel shall be qualified and certified in accordance with the requirements of the American Society for Non-Destructive Testing, SNT-TC-1A.
- b) All personnel taking and evaluating data shall be certified to ASNT NDT Level II or ACCP Level II or higher and shall be under the on-site supervision of a 2ASNT NDT Level III or ACCP Level III certified person.
- c) A person certified to 2ASNT NDT Level III or ACCP Level III or a registered professional engineer should perform final data analysis and on-site supervision of all work.

6. Analysis of Results and Reporting

The data for each tube shall be evaluated and recorded on suitable data sheets, as the tubes are inspected to assure timely corrective action.

An approximate percent and thousandths of an inch wall loss shall be determined for each tube inspected and entered in the data sheets, together with the type of damage (i.e., pitting, wear, external corrosion, etc.) recorded, and the location of the damage along the tube length. This information is considered vital in defining cause and corrective actions.

Tubes considered potential leakers shall be marked on the unit, at the time of inspection to facilitate corrective action.

At the time of this analysis and data accumulation OGS may have the Contractor effect any repairs or replacement of defective tubes on a time and material basis if it is in the best interest of the State.

A final report shall be submitted, in duplicate, within thirty (30) days of the completion of the inspection. The report shall include, as a minimum:

- a) An introductory statement, identifying the serial number of the unit inspected, date of inspection, location and any other pertinent background data.
- b) A numerical, tabulated summary of the inspection results and a written summary descriptive of the results.
- c) A plot of the results, on a tube sheet layout drawing or sketch.
- d) Typical Eddy Current records (strip-charts), illustrating the type and distribution of damage encountered.
- e) Detailed descriptions of the tube numbering system, sufficient that any future damage can be easily related to prior inspection results.
- f) Detailed inspection equipment calibration information, such that the results of re-inspections can be correlated with previous inspections. This will include specifying equipment used, calibration tube details, instrument setting and sensitivities utilized.
- g) Data sheets for all tubes inspected. Original copies of the strip chart records for all worn out tubes shall be forwarded with the report but need not be bound with the reports.
- h) Recommendation for corrective measures to prevent tube failures must be made and signed by a heat exchanger manufacturer that is knowledgeable of the same type and size that is comparable to the existing chillers.
- i) Provide a list of those tubes, which may have been replaced.

The Level 3 Technician or professional engineer who supervised the on-site inspection shall approve the reports.

5.6 Work to be performed by OGS

- Drain and refill compressor lube oil system
- Drain and refill turbine oil system
- The liquid refrigerant will be moved to the respective storage tank
- The refrigerant system shall be pump-down to meet current EPA guidelines, to enable work to be performed on refrigerant system components.
- All steam condenser, refrigerant and cooler tubes shall be cleaned prior to Eddy Current testing.
- All parts for annual preventative maintenance to be furnished by OGS. If parts cannot be furnished by OGS, they are to be ordered by the Contractor and billed for at the Material Mark-up rates bid on Attachment 1 -Cost Proposal.
- All rigging and material handling of equipment shall be provided by OGS. (The Contractor's representative shall be responsible for the supervising of the rigging of the turbine and compressor during the disassembly and reassembly process.)
- All Freon, evacuation and preparation of unit for disassembly will be the responsibility of OGS.
- Pressure testing will be the responsibility of OGS. All necessary gaskets and "O" rings needed for compressor reassembly to be supplied by OGS.
- Any additional parts found to be worn beyond tolerance to be supplied by OGS.

5.7 Additional Services

Additional Services (repairs, upgrades, any work performed by subcontractors other than for base scope services, etc.) shall only be performed when pre-approved in writing by the Director of OGS Real Property Management & Facilities Group, Technical Services, or his designee and shall be compensated at the Time and Materials rates bid, provided, however, that any subcontractor work shall be reimbursed in accordance with the markup as proposed. The following process shall apply:

The Contractor shall prepare a quote for the Facility Manager. For additional service work performed by Contractor's on-site staff, the quote must detail the scope of services, proposed timeline for completion, number of hours times hourly rate bid, materials times % markup bid, and any other information or options that the State should consider. If subcontractors are to be used, the process detailed in the Subcontractors clause Section 6.11 herein must be followed.

The Facility Manager will request approval from the Assistant to the Director OGS Real Property Management & Facilities Group, Technical Services. Upon approval by the Director of OGS Real Property Management & Facilities Group, Technical Services, a letter authorizing the work will be issued. A copy of the authorization letter must accompany the invoice for any additional services.

5.7.1 Emergency Services

The Contractor shall provide emergency service on an "as required basis." Emergency service shall be considered calls in addition to the scheduled services.

All labor, travel costs, parts and supplies will be the responsibility of the Contractor. Compensation shall be limited to payment of the appropriate labor rate for time actually spent on the repairs and parts / materials, for which the State will reimburse the Contractor at the exact cost plus material markup. Travel time/expenses are the responsibility of the Contractor and will not be reimbursed.

Emergency service shall be provided, as needed on a twenty-four (24) hour, seven (7) days a week basis. To ensure the State that the Contractor will respond promptly, the Contractor agrees to provide an emergency telephone service on a twenty-four (24) hour, seven (7) days a week basis. From the time of the call by OGS, the Contractor has a maximum of two (2) hours to respond and be on site to this call. The arriving technician must meet the qualifications as set forth in Section 5.8 - Staffing Requirements.

Whenever during the term of this service contract there occurs a malfunction or emergency, which requires immediate attention, the following procedure shall apply:

- The State will immediately notify the Contractor (or its designated representative) by telephone.
- Contractor will respond on-site within two (2) hours after notification.
- If Contractor (or his designated representative) is unable to respond within two (2) hours and the malfunction or emergency is such that immediate action is required, then the State's employees, may make such repairs or take such action as may be necessary under the circumstances.
- Work on any of the equipment covered by this agreement by State employees will not affect or impair Contractor's responsibility to perform its contract obligations during the remainder of the contract term.

5.7.2 Contractors Compensatory Liability

In the event that the Contractor fails to complete any of the specified services, including emergency services, within the timeframe required, OGS reserves the right to have such work completed either by another company or with in-house staff. In any such event, the Contractor shall be liable to reimburse OGS for all costs incurred to complete the work. OGS further reserves the right to collect such reimbursement from any outstanding payments due to the Contractor.

5.7.3 Repairs

- Elliott Co. and/or Dressler-Rand Murray shall perform all turbine repair work that cannot be performed on site.
- Carrier Co. shall perform all compressor repair work that cannot be performed on site.
- In the event any repair is found necessary, the Director of Utilities Management shall be appraised, in writing, of the need for the repair.
- Any equipment to be replaced shall be new and shall be manufactured by a reputable manufacturer. The equipment shall be the same as or equal to the original equipment. All substitutes for the original manufacturer's equipment must be approved by OGS before installation. Prices charged will be at rate bid on Attachment 1 -Cost Proposal
- Any equipment replaced by the Contractor during the contract period shall be guaranteed for one (1) year from the date of replacement and replaced at no cost to the State if found defective during that time.

5.8 Staffing Requirements

The Office of General Services expects that all services will be conducted diligently and effectively under the general direction of OGS staff. Further, it is expected that:

- All Contractor staff shall conduct themselves in a professional manner with OGS staff and with the general public.
- All staff assigned shall report to work in appropriate dress and appearance.
- All Contractor staff shall comply with all rules and requirements of this solicitation, including refraining from use of drugs and alcohol prior to or during any period of work to which they are assigned.
- Any failure to comply with any of the requirements of this solicitation shall result in the removal from the premises.
- All technicians must have been certified by 40 CFR, Part 82, Subpart F, Type Universal for refrigerant handling. Any documentation relating to the technicians training or certification shall be made available to OGS upon request.
- There must be at least one on-site technician with three years of experience with the equipment being maintained or repaired, supervising work being performed. Upon OGS' request, Contractor must provide the certification proving the training provided by manufacturers on the equipment listed in Section 5.3.
- Technicians must be located within proximity of the facility to allow for a two (2) hour emergency response time. The two (2) hour emergency response starts when the Facility Manager or his/her designee calls the emergency service line and ends when the technician arrives on site.

5.9 Administrative and Reporting Requirements

A. Contract Meetings:

1. The Contractor will be responsible for the completion of a variety of administrative and reporting requirements, and the cost of it shall be included in the base bid price.
2. Upon award of the contract and prior to the start of any work, the Contractor shall be available for an initial job meeting with the Director of Utilities Management. This meeting shall include:
 - a) The Contractor's submission of a schedule of work to be reviewed and approved by the Director of Utilities Management.

- b) A review of all Facility use rules.
 - c) An introduction for each respective organization, chain of command, etc.
 - d) Sharing emergency contacts and phone numbers.
3. Unless otherwise directed, there shall be periodic job meetings for the following purpose:
- a) Review job progress, quality of work, and approval and delivery of materials.
 - b) Identify and resolve problems, which impede planned progress.
 - c) Coordinate the efforts of all concerned so that the contract progresses on schedule to on-time completion.
 - d) Maintain a sound working relationship between the Contractor and the Director of Utilities Management, and a mutual understanding of the contract.
 - e) Maintain sound working procedures.
 - f) Identify and resolve problems, which impede planned progress.
 - g) Coordinate the efforts of all concerned so that the contract progresses on schedule to on-time completion.

B. Report Requirements:

1. Unless otherwise directed, the Contractor shall provide a work schedule report, which shall detail all work completed during an invoice period and shall compare scheduled work versus actual work completed. A copy of this report shall also be provided as outlined in Item 3 below.
2. The above work schedule report shall include:
 - a) Schedule of when work is done - date, time, etc.
 - b) Specific information of what work was done.
 - c) The names and hours worked of each technician
3. Two copies of the work schedule report must be provided to the Director of Utilities Management. The Director of Utilities Management will provide one copy to the OGS Real Property Management Division of Albany Utilities Management.

5.10 Security Procedures

Please note that these locations may have security policies which must be followed. The Contractor will work with the OGS Real Property Management and Development Group, Technical Services to obtain necessary clearances. Contractor may be required to provide information such as, but not limited to, the company name, the employee's name (as it appears on ID), valid driver license number, vehicle make, model and license plate, etc. to the OGS Real Property Management and Development Group, Technical Services.

5.11 Prevailing Wage Rate Advisory Notice

Contractors are reminded that the payment of prevailing wages and supplements is a requirement of ALL contracts for public works. Information indicating that prevailing wages are not being paid on a public works project will be forwarded to the New York State Department of Labor for investigation. Willful violations of the prevailing wage provisions of the Labor Law may result in debarment from the bidding and award of public contracts.

NOTE: ALL PUBLIC WORKS CONTRACTS, REGARDLESS OF DOLLAR VALUE, REQUIRE THE PAYMENT OF PREVAILING WAGES AND SUPPLEMENTS.

A copy of the prevailing rate schedule is included in Appendix D - New York State Prevailing Rate Schedule #2015002907. Contractors are required to supply each of their subcontractors with copies of the prevailing rate schedule and to obtain an affidavit acknowledging receipt and agreeing to pay required wages before entering into a subcontract. Contractors are responsible for assuring that their subcontractors pay prevailing wages and supplements.

NOTE: CONTRACTORS ARE FURTHER REQUIRED TO POST THE PREVAILING WAGE RATES AT THE WORK SITE ON BULLETIN BOARDS PROVIDED BY THE FACILITY MANAGER AND INFORM EMPLOYEES OF THE POSTING. FACILITY MANAGERS WILL ENFORCE THIS PROVISION.

Contractors are advised that the Office of General Services may make random inquiries of employees of both prime and subcontractors as to the rate of wages being paid and may request certified copies of one or more weekly payrolls of a contractor or any subcontractor to verify proper payment of wages. Any discrepancy found in information supplied will be reported to the Department of Labor for investigation.

5.12 Background Checks for Contractors Performing Services in OGS Facilities

Requirements

Requirements of this clause apply to the Contractor and the costs for performing the requirements of this section shall be included in the Proposer's proposal submitted in response to this solicitation.

Definitions

For purposes of this clause, the following definitions apply:

- 1) On-Site: ``On-site" refers to any State-owned or leased space open to the public or at which State business operations are conducted.
- 2) Suitability: ``Suitability" refers to identifiable character traits and past conduct which are reasonably sufficient to indicate whether a given individual is likely or not likely to be able to perform the requirements of a contract at OGS on-site locations without undue risk to the interests of the State.
- 3) Suitability determination: A ``suitability determination" is a determination that there are reasonable grounds to believe that an individual will likely be able to perform the contract requirements on-site without undue risk to the interests of the State.

Applicability

- 1) Contractors shall perform background checks and make suitability determinations on contractor employees before the individual employees can perform on-site contract services for the Office of General Services.
- 2) Contractor shall maintain a continuous list of background checks and suitability determinations noted above, and shall provide this list to the Facility Manager prior to the contract commencement date. The list shall be updated and resubmitted to the Facility Manager as changes occur, continually keeping the Facility Manager updated.
- 3) The Commissioner of General Services, or her designee (the "Commissioner"), on a case-by-case basis, may, either temporarily or permanently, waive the requirements of this clause, in whole or in part, if they determine in writing that background checks and suitability determinations are not necessary at a specific location, or for a specific individual, in order to protect the State's interests.

Background Check

- 1) The Contractor is responsible, at its own expense, for completing background checks and making suitability determinations on its employees prior to the employee beginning on-site work. Compliance with the requirement for performing a background check and making a suitability determination shall not be construed as providing a contractor employee clearance to secured areas. Contractors are required to maintain records of background checks and suitability determinations for the term of the contract, and to make them available to the State when requested.
- 2) At a minimum, the background check and suitability determination must include an evaluation of:
 - a) Verification that the individual is not listed on a national watched person database. The following link has a PDF file of a list of SPECIALLY DESIGNATED NATIONALS AND BLOCKED PERSONS: <http://www.treas.gov/offices/enforcement/ofac/sdn/index.html>.
 - b) Criminal History checks, using a national database that contains criminal histories and supplement this search by checks of NYS Office of Court Administration and comparable searches of states where the person has lived, worked or attended school during the past 5 years, or by obtaining the record of convictions from NYSOCA directly and from their equivalents from other states where the person might have lived, worked or attended school during the last 5 years;
 - c) DMV driving records;
 - d) Social Security Number trace
 - e) Verification of U.S. citizenship or legal resident status; and
 - f) Residence (past 3 years) (should be requested on employment application to compare against data from DMV license and other searches for verification.)

Background Check Guidelines

- 1) In making a suitability determination, the contractor shall consider the following factors and evaluate them against the work to be performed, the performance location, and the degree of risk to the State:
 - a) Any loyalty or terrorism issue;
 - b) Patterns of conduct (e.g., alcoholism/drug addiction, financial irresponsibility/major liabilities, dishonesty, non-employability for negligence or misconduct, criminal conduct);
 - c) Dishonorable military discharge;
 - d) Felony and misdemeanor offenses;
 - e) Drug manufacturing/trafficking/sale;
 - f) Major honesty issue (e.g. extortion, armed robbery, embezzlement, perjury);
 - g) Criminal sexual misconduct;
 - h) Serious violent behavior (e.g., rape, aggravated assault, arson, child abuse, manslaughter);
 - i) Illegal use of firearms/explosives; and
 - j) Employment related misconduct involving dishonesty, criminal or violent behavior.
- 2) The contractor shall evaluate any adverse information about an individual by considering the following factors before making a suitability determination:
 - a) The nature, extent and seriousness of the conduct;
 - b) The circumstances surrounding the conduct;
 - c) The frequency and recency of the conduct;
 - d) Individuals age and maturity at the time of the conduct;
 - e) The presence or absence of rehabilitation and other pertinent behavior changes;

- f) Potential for pressure, coercion, exploitation, or duress;
- g) The likelihood of continuation of the conduct;
- h) How, and if, the conduct bears upon potential job responsibilities; and
- i) The employee's employment history before and after the conduct.

Each suitability determination should be documented in a narrative. If negative items are mitigated by subsequent passage of time or completion of substance abuse programs this rationale should be included in the narrative. A negative suitability determination must be supported by a finding that the adverse information has a direct bearing on the potential job duties or that it is deemed sufficiently serious to bar the employee from a State site.

Employee Removal

Whenever a contractor becomes aware that any employee working at an on-site location under an OGS contract becomes an unacceptable risk to the State; the contractor shall immediately remove that employee from the site, notify the Commissioner that such a removal has taken place, and replace them with a qualified substitute. If the approval of the Commissioner was initially required for the use of a removed employee, Commissioner approval is required for the replacement employee.

Notification prior to commencement of on-site contract performance

Upon request the contractor shall notify the Commissioner that the background checks and suitability determinations required by this clause have been completed for affected individuals.

5.13 Drawings and Wiring Diagram

Proposers are advised that the Office of General Services may have in its possession some wiring diagrams or drawings of the system outlined herein. During the course of this contract, **the Contractor is required to make the set of wiring diagrams and drawings for all systems covered by this contract** complete and shall update the drawings as any systems are added to the contract. Drawings and diagrams are to be in compliance with accepted drafting standards. Such drawings and wiring diagrams shall be made within six (6) months after contract start and two (2) complete sets shall be turned over to the State, one copy for the Facility Manager and one copy for the OGS Real Property Management, and Utilities Management. All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of system. At the expiration of the contract, the Contractor shall again furnish to the State two (2) sets of all drawings representing the then current "as modified" conditions of all of the equipment which is covered by the contract

6. CONTRACT CLAUSES AND REQUIREMENTS

6.1 Appendix A / Order of Precedence

Appendix A — Standard Clauses for New York State Contracts, dated January 2014 attached hereto, is hereby expressly made a part of this solicitation document as fully as if set forth at length herein. The agreement resulting from a successful award will include the following documents. Conflicts between these documents will be resolved in the following descending order of precedence:

1. Appendix A (dated January 2014)
2. Contract Agreement
3. OGS RFP Number 1916 (This Document) Including any Addenda
4. Selected Contractor's Bid

6.2 Procurement Lobbying Requirement

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS and an Offerer/Proposer during the procurement process. An Offerer/Proposer is restricted from making contacts from the earliest notice of intent to solicit offers/bids through final award and approval of the Procurement Contract by OGS and, if applicable, the Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, is identified on the first page of this solicitation. OGS employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/Proposer pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period; the Offerer/Proposer is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website: <http://ogs.ny.gov/Aboutogs/regulations/defaultAdvisoryCouncil.html>

6.3 Confidentiality

Contractor agrees to keep confidential and not to disclose to third parties any information provided by the OGS or learned by the Contractor during the performance of the Contract unless Contractor has received the prior written consent of the OGS to make such disclosure. This provision shall survive the expiration and termination of this Contract. The Contractor warrants that all of its operations are compliant with all federal, state and local laws, rules and regulations pertain to the privacy and/or security of personal and confidential information.

6.4 Ethics Compliance

All proposers/contractors and their employees must comply with the requirements of §§73 and 74 of the Public Officers Law, other state codes, rules, regulations, and executive orders establishing ethical standards for the conduct of business with New York State. In signing any contract resulting from this RFP, the Contractor certifies full compliance with those provisions for any present or future dealings, transactions, sales, contracts, services, offers, relations, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

6.5 Contractor Insurance Requirements

Prior to the commencement of the work to be performed by the Contractor hereunder, the Contractor shall file with The People of the State of New York, Office of General Services (hereinafter referred to as "OGS"), Certificates of Insurance (hereinafter referred to as "Certificates"), evidencing compliance with all requirements contained in this Section. Such Certificates shall be of a form and substance acceptable to OGS.

Certificate acceptance and/or approval by OGS do not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under the Contract.

All insurance required by the Contract shall be obtained at the sole cost and expense of the Contractor; shall be maintained with insurance carriers licensed to do business in New York State and acceptable to OGS; shall be primary and non-contributing to any insurance or self insurance maintained by OGS; shall be endorsed to provide written notice be given to OGS, at least thirty (30) days prior to the cancellation, non-renewal, or material alteration of such policies, which notice, evidenced by return receipt of United States Certified Mail; shall be sent to Office of General Services, Purchasing Unit, Corning Tower, 40th Floor, Empire State Plaza, Albany, New York 12242 and shall name The People of the State of New York, its officers, agents, and employees as additional insureds there under (General Liability Additional Insured Endorsement shall be on Insurance Service Office's (ISO) form number **CG 20 10 11 85**). The additional insured requirement does not apply to Workers Compensation, Disability or Professional Liability coverage.

The Contractor shall be solely responsible for the payment of all deductibles and self-insured retentions to which such policies are subject. Deductibles and self-insured retentions must be approved by OGS. Such approval shall not be unreasonably withheld.

The Contractor shall require that any subcontractors hired, carry insurance with the same limits and provisions provided herein.

Each insurance carrier must be rated at least "A-" Class "VII" in the most recently published Best's Insurance Report. If, during the term of the policy, a carrier's rating falls below "A-" Class "VII", the insurance must be replaced no later than the renewal date of the policy with an insurer acceptable to OGS and rated at least "A-" Class "VII" in the most recently published Best's Insurance Report.

The Contractor shall cause all insurance to be in full force and effect as of the commencement date of this Contract and to remain in full force and effect throughout the term of this Contract and as further required by this Contract. The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

Not less than thirty (30) days prior to the expiration date or renewal date, the Contractor shall supply to OGS updated replacement Certificates of Insurance, and amendatory endorsements.

The Contractor, throughout the term of this Contract, or as otherwise required by this Contract, shall obtain and maintain in full force and effect, the following insurance with limits not less than those described below and as required by the terms of this Contract, or as required by law, whichever is greater (limits may be provided through a combination of primary and umbrella/excess policies):

- a) Commercial General Liability Insurance with a limit of not less than \$5,000,000 each occurrence. Such liability shall be written on the ISO occurrence form CG 00 01, or a substitute form providing equivalent coverages and shall cover liability arising from premises operations, independent contractors, products-completed operations, broad form property damage, personal & advertising injury, cross liability coverage, liability assumed in a contract (including the tort liability of another assumed in a contract) and explosion, collapse & underground coverage.
 1. If such insurance contains an aggregate limit, it shall apply separately on a per job or per project basis.

- b) Comprehensive Business Automobile Liability Insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any automobile including owned, leased, hired and non-owned automobiles.
- c) If the work involves abatement, removal, repair, replacement, enclosure, encapsulation and/or disposal of any petroleum, petroleum product, hazardous material or substance, the Contractor shall maintain in full force and effect throughout the term hereof, pollution legal liability insurance with limits of not less than \$5,000,000, providing coverage for bodily injury and property damage, including loss of use of damaged property or of property that has not been physically injured. Such policy shall provide coverage for actual, alleged or threatened emission, discharge, dispersal, seepage, release or escape of pollutants, including any loss, cost or expense incurred as a result of any cleanup of pollutants or in the investigation, settlement or defense of any claim, suit, or proceedings against OGS arising from Contractors work.
 - 1. If coverage is written on a claims-made policy, the Contractor warrants that any applicable retroactive date precedes the effective date of this Contract; and that continuous coverage will be maintained, or an extended discovery period exercised, for a period of not less than two years from the time work under this Contract is completed.
 - 2. If the Contract includes disposal of materials from the job site, the Contractor must furnish to OGS, evidence of pollution legal liability insurance in the amount of \$2,000,000 maintained by the disposal site operator for losses arising from the disposal site accepting waste under this Contract.
 - i) If autos are used for transporting hazardous materials, the Contractor shall provide pollution liability broadened coverage for covered autos (endorsement CA 99 48) as well as proof of MCS 90.
- d) Waiver of Subrogation. Contractor shall cause to be included in each of its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against OGS, or, if such waiver is unobtainable (i) an express agreement that such policy shall not be invalidated if Contractor waives or has waived before the casualty, the right of recovery against OGS or (ii) any other form of permission for the release of OGS.
- e) WORKERS' COMPENSATION / DISABILITY INSURANCE:

Prior to any contract resulting from this RFP becoming effective, Contractor must submit proof that they have the workers' compensation and disability benefits coverage required by the New York State Workers' Compensation Law, or proof that they are legally exempt from obtaining such coverage. Proof of compliance must be demonstrated in accordance with the requirements set forth by the New York State Workers' Compensation Board (An instruction manual clarifying the Workers' Compensation Law requirements is available to download at the Workers' Compensation Board's website, www.wcb.ny.gov. Once you are on the website, click on *Employers/Businesses*, then *Business Permits/Licenses/Contracts*; from there, click on *Instruction Manual for Businesses Obtaining Permits/Licenses/Contracts*.) Contractor shall notify the Office of General Services, Financial Administration Contracts Unit, at least thirty (30) days prior to material change or cancellation of such coverage.

If employees will be working on, near or over navigable waters, US Longshore and Harbor Workers Compensation Act endorsement must be included.

All forms must name the Office of General Services – Financial Administration, 32nd Floor, Mayor Erastus Corning 2nd Tower, Empire State Plaza, Albany NY 12242, as the Entity Requesting Proof of Coverage (Entity being listed as the Certificate Holder).

Contractor acknowledges that failure to obtain and/or keep in effect any or all required insurance on behalf of OGS constitutes a material breach of contract and subjects it to liability

for damages, indemnification and all other legal remedies available to OGS. Contractor's failure to obtain and/or keep in effect any or all required insurance shall also provide the basis for OGS' immediate termination of any contract resulting from this RFP, subject only to a five (5) business day cure period. Any termination by OGS under this section shall in no event constitute or be deemed a breach of any contract resulting from this solicitation and no liability shall be incurred by or arise against the Office of General Services, its agents and employees therefore for lost profits or any other damages.

6.6 Tax and Finance Clause

TAX LAW § 5-A:

Section 5-a of the Tax Law, as amended, effective April 26, 2006, requires certain contractors awarded state contracts for commodities, services and technology valued at more than \$100,000 to certify to the Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to contracts where the total amount of such contractors' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax and contractors must certify to DTF that each affiliate and subcontractor exceeding such sales threshold is registered with DTF to collect New York State and local sales and compensating use taxes. The law prohibits the State Comptroller, or other approving agency, from approving a contract awarded to a contractor meeting the registration requirements but who is not so registered in accordance with the law.

Contractor certification forms and instructions for completing the forms are attached to this RFP. Form ST-220-TD must be filed with and returned directly to DTF. Unless the information upon which the ST-220-TD is based changes, this form only needs to be filed once with DTF. If the information changes for the contractor, its affiliate(s), or its subcontractor(s) a new Form ST-220-TD must be filed with DTF.

Form ST-220-CA must be filed with the bid and submitted to the procuring covered agency certifying that the contractor filed the ST-220-TD with DTF. Proposed contractors should complete and return the certification forms within two business days of request (if the forms are not completed and returned with bid submission). Failure to make either of these filings may render a Proposer non-responsive and non-responsible. Proposers shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law.

Vendors may call DTF at **1-800-698--2909** for any and all questions relating to Section 5-a of the Tax Law and relating to a company's registration status with the DTF. For additional information and frequently asked questions, please refer to the DTF web site: <http://www.nystax.gov>

6.7 Contractor Requirements and Procedures for Equal Employment and Business Participation Opportunities for Minority Group Members and New York State Certified Minority-and-Women-Owned Business Enterprises

I. Policy Statement

The New York State Office of General Services ("OGS"), as part of its responsibility, recognizes the need to promote the employment of minority group members and women and to ensure that certified minority- and women-owned business enterprises have opportunities for maximum feasible participation in the performance of OGS contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority- and women-owned business enterprises had a full and fair opportunity to participate in State contracting. The findings of the study were published on April 29, 2010, under the title “The State of Minority- and Women-Owned Business Enterprises: Evidence from New York” (the “Disparity Study”). The Disparity Study found evidence of statistically significant disparities between the level of participation of minority- and women-owned business enterprises in State procurement contracting versus the number of minority- and women-owned business enterprises that were ready, willing and able to participate in State procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the Statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that OGS establish goals for maximum feasible participation of New York State certified minority- and women-owned business enterprises (“MWBE”) and the employment of minority group members and women in the performance of New York State contracts.

II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State Certified minority- and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. The Contractor further agrees to be bound by the provisions of Article 15-A and the MWBE Regulations. If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.
- D. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section and/or enforcement proceedings as allowed by the Contract.

III. Equal Employment Opportunity (EEO)

- A. Contractor shall comply with the provisions of Article 15-A set forth below. These provisions apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.

1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.
2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor's equal employment opportunity policy.

B. Form EEO 100 - Staffing Plan.

To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.

C. Form EEO 101 - Workforce Employment Utilization Report ("Workforce Report")

1. If Contractor's Form EEO 100- Staffing Plan provides that Contractor is able to report the actual workforce utilized in the performance of this Contract, the following clause shall apply: Contractor agrees it will, upon request, submit to OGS, a workforce utilization report on Form EEO 101, identifying the workforce actually utilized on the Contract if known.
2. If Contractor's EEO Form 100 - Staffing Plan provides that Contractor is unable to separate out the actual workforce utilized in the performance of the Contract from its total workforce, the following clause shall apply: Contractor and OGS agree that Contractor is unable to separate out the workforce utilized in the performance of the Contract from Contractor's and/or subcontractor's total workforce and that the information provided on the previously submitted Staffing Plan is Contractor's total workforce during the subject time frame, not limited to work specifically under the Contract.

D. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. Contract Goals

A. OGS hereby establishes an overall goal of 10% for MWBE participation, 5% for Minority-Owned Business Enterprises ("MBE") participation and 5% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under the Contract.

- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR § 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women Owned Businesses and Community Relations. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).

V. MWBE Utilization Plan

- A. In accordance with 5 NYCRR § 142.4, Bidders are required to submit a completed Utilization Plan on Form MWBE 100 with their bid.
- B. The Utilization Plan shall list the MWBEs the Bidder intends to use to perform the Contract, a description of the Contract scope of work the Bidder intends the MWBE to perform to meet the goals on the Contract, the estimated or, if known, actual dollar amounts to be paid to a MWBE, and performance dates of each component of the Contract that the Bidder intends to be performed by a MWBE. By signing the Utilization Plan, the Bidder acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by NYS Certified MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.
- C. OGS will review the submitted MWBE Utilization Plan and advise the Bidder of OGS acceptance or issue a notice of deficiency within twenty (20) days of receipt.
- D. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to OGS a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Bidder and direct the Bidder to submit, within five (5) business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- E. OGS may disqualify a Bidder’s bid/proposal as being non-responsive under the following circumstances:
- a) If a Bidder fails to submit a MWBE Utilization Plan;
 - b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - c) If a Bidder fails to submit a request for waiver; or
 - d) If OGS determines that the Bidder has failed to document good faith efforts.

- F. If awarded a Contract, Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.
- G. Bidder/Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

VI. Request for Waiver

- A. **Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts of the OGS Office of Minority- and Women-Owned Businesses and Community Relations for guidance.**
- B. In accordance with 5 NYCRR § 142.7, a Bidder/Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

VII. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers and copies of such solicitations and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.

3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with or obtaining supplies from certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

VIII. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month's activity, documenting progress made towards achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System ("NYSCS") to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.
- B. When a Contractor receives a payment from a State agency, it is the Contractor's responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification ("audit notice") indicating that a representative of its company needs to log-in to the NYSCS to report the company's MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor's responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.
- C. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: "**Introduction to the System for Vendors**" and "**Contract Compliance Reporting - Vendor Training**" to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>
- D. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on "**Account Lookup**" to identify the Contractor's account by company name. Contact information should be reviewed and updated if necessary by choosing "**Change Info.**" It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through "**Request New User.**" When identifying the person responsible, please add "**- MWBE Contact**" after his or her last name (i.e., John Doe –

MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for “Contact Us & Support” then “Technical Support” on the NYSCS website.

- E. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: OGS MWBE Office, 29th floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- F. It is the Contractor’s responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages clause in clause IX below.

IX. Breach of Contract and Liquidated Damages

- A. In accordance with Executive Law Section 316-a and 5 NYCRR § 142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to OGS for liquidated or other appropriate damages, as set forth herein.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. If, after Contractor has been afforded due process to respond to the allegation that it willfully or intentionally failed to comply with the MWBE participation goals, OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by the OGS, Contractor shall pay such liquidated damages to the OGS within sixty (60) days after such determination unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law, in which event the liquidated damages shall be payable if the Director renders a decision in favor of the OGS.

ALL FORMS ARE AVAILABLE AT: <http://www.ogs.ny.gov/MWBE/Forms.asp>

6.8 Freedom of Information Law / Trade Secrets

During the evaluation process, the content of each bid will be held in confidence and details of any bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. Should you feel your firm’s bid contains any such trade secrets or other confidential or proprietary information, **you must submit a request to except such information from disclosure.** Such request must be in writing, must state the reasons why the information should be excepted from

disclosure and must be provided at the time of submission of the subject information. Requests for exemption of the entire contents of a bid from disclosure have generally not been found to be meritorious and are discouraged. Kindly limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.

6.9 General Requirements

- The Proposer agrees to adhere to all State and Federal laws and regulations in connection with the contract.
- The Proposer agrees to notify OGS of any changes in the legal status or principal ownership of the firm, forty five (45) days in advance of said change.
- The Proposer agrees that in any contract resulting from this RFP it shall be completely responsible for its work, including any damages or breakdowns caused by its failure to take appropriate action.
- The Proposer agrees that any contract resulting from this RFP may not be assigned, transferred, conveyed or the work subcontracted without the prior written consent of OGS.
- For reasons of safety and public policy, in any contract resulting from this RFP, the use of illegal drugs and/or alcoholic beverages by the Contractor or its personnel shall not be permitted while performing any phase of the work herein specified.
- For purposes of any contract resulting from this RFP, the State will not be liable for any expense incurred by the Contractor for any parking fees or as a consequence of any traffic infraction or parking violations attributable to employees of the Contractor.
- OGS interpretation of specifications shall be final and binding upon the Contractor.
- The Commissioner of OGS will make no allowance or concession to the Proposer for any alleged misunderstanding because of quantity, quality, character, location or other conditions.
- Should it appear that there is a real or apparent discrepancy between different sections of specifications concerning the nature, quality or extent of work to be furnished, it shall be assumed that the Proposer has based its bid on the more expensive option. Final decision will rest with OGS.
- INSPECTION – For purposes of any contract resulting from this RFP the quality of service is subject to inspection and may be made at any reasonable time by the State of New York. Should it be found that quality of services being performed is not satisfactory and that the requirements of the specifications are not being met, OGS may terminate the contract and employ another contractor to fulfill the requirements of the contract. The existing Contractor shall be liable to the State of New York for costs incurred on account thereof.
- STOP WORK ORDER – OGS reserves the right to stop the work covered by this RFP and any contract(s) resulting there from at any time that it is deemed the Contractor is unable or incapable of performing the work to the state's satisfaction. In the event of such stopping, OGS shall have the right to arrange for the completion of the work in such manner as it may deem advisable and if the cost thereof exceeds the amount of the proposal, the Contractor shall be liable to the State of New York for any such costs on account thereof. In the event that OGS issues a stop work order for the work as provided herein, the Contractor shall have ten (10) working days to respond thereto before any such stop work order shall become effective. Provided, however, that if an emergency situation exists, as reasonably determined by OGS, then the stop work order shall be effective immediately.
- It is the Contractor's responsibility to maintain the equipment and materials provided for the work consistent with applicable safety and health codes.

- OGS reserves the right to reject and bar from the facility any employee hired by the Contractor.

6.10 Contract Terms

All provisions and requirements of Appendix A Standard Clauses for New York State Contracts, which is attached hereto and forms a part hereof, will be incorporated into any contract resulting from this RFP, and will be binding upon the parties to such contract.

All provisions and requirements, which are attached hereto and form a part hereof, will be incorporated into any contract resulting from this RFP, and will be binding upon the parties to such contract.

It is stipulated and agreed by the parties that the law of the State of New York shall solely and in all respects govern with relation to any dispute, litigation, or interpretation arising out of or connected with any contract resulting from this RFP.

Any contract resulting from this RFP shall not be deemed executed, valid or binding unless and until approved in writing by the Attorney General and the Comptroller of the State of New York.

6.11 Subcontractors

The State will contract only with the successful Proposer who is the Prime Contractor. The Issuing Office considers the Prime Contractor, the sole Contractor with regard to all provisions of the solicitation and the contract resulting from the solicitation. Any known / planned use of subcontractors must be disclosed in detail with the proposal. If subcontractors are to be used for base scope services, it shall be understood that the bid price includes the cost of the subcontractor and no additional markups will be allowed.

No subcontract entered into by the Contractor shall relieve the Contractor of any liabilities or obligations in this RFP or the resultant contract. The Contractor accepts full responsibility for the actions of any employee or subcontractor/subcontractor's employee(s) who carry out any of the provisions of any contract resulting from this RFP.

The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the work in accordance with the contract. The Contractor shall coordinate and control the work of the subcontractors.

The Contractor shall be responsible for informing the subcontractors of all terms, conditions, and requirements of the contract documents.

During the term of the Contract, before any part of the contract shall be sublet, the Contractor shall submit to Director of Utilities Management or his designee, 39th Floor Corning Tower, ESP, Albany, NY 12242 in writing, the name of each proposed subcontractor and obtain written consent to such subcontractor. The names shall be submitted in ample time to permit acceptance or rejection of each proposed subcontractor without causing delay in the work of this contract. The Contractor shall promptly furnish such information as the Deputy Commissioner may require concerning the proposed subcontractor's ability and qualifications.

In the event that subcontractors must be used during the term of this contract for Additional Services work, the following guidelines shall apply.

- A. The Contractor shall procure goods and services using commercially reasonable and prudent practices to obtain the most favorable price and terms. The Contractor will make his/her best efforts and shall document same to obtain written proposals or bids from at least three (3) responsible service providers before selecting the best price and terms. Prior OGS approval is required for all Additional Services. The following conditions apply to competitive bidding for subcontracted additional services:

1. Each bid will be solicited in a form and manner conducive to uniformity in all bids. The Contractor will maintain documentation of the solicitation and results.
2. If the Contractor desires to accept other than the lowest bidder, or where competitive bids are not possible, adequate justification must be provided to the State for required prior approval.

OGS shall be free to accept or reject any proposal/subcontract submitted for State's approval, and Contractor shall provide OGS with copies of all documentation OGS may request in relation to such approval rights.

6.12 Procurement Rights

The State of New York reserves the right to:

1. Reject any and all proposals received in response to this Solicitation.
2. Disqualify a Proposer from receiving the award if the Proposer, or anyone in the Proposer's employ, has previously failed to perform satisfactorily in connection with public bidding or contracts.
3. Correct Proposers' mathematical errors and waive or modify other minor irregularities in proposals received, after prior notification to the Proposer.
4. Adjust any Proposer's expected costs of the bid price based on a determination of the evaluation team that the selection of the said Proposer will cause the State to incur additional costs.
5. Utilize any and all ideas submitted in the proposals received.
6. Negotiate with Proposers responding to this Solicitation within the Solicitation requirements to serve the best interests of the State.
7. Begin contract negotiations with another Proposer(s) in order to serve the best interests of the State of New York should the State of New York be unsuccessful in negotiating a contract with the selected winning Proposer within 21 days of selection notification.
8. Waive any non-material requirement not met by all Proposers.
9. Not make an award from this Solicitation.
10. Make an award under this Solicitation in whole or in part.
11. Make multiple contract awards pursuant to the Solicitation.
12. Have any service completed via separate competitive bid or other means, as determined to be in the best interest of the State.
13. Seek clarifications of proposals.
14. Disqualify any Proposer whose conduct and/or proposal fails to conform to the requirements of the RFP.
15. Prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available.
16. Waive any requirements that are not material.
17. If two or more proposals are found to be substantially equivalent, the Commissioner of OGS, at her sole discretion, will determine award using the pre-established process. For best value procurements, cost will be the determining factor.

Note: The State is not liable for any cost incurred by a Proposer in the preparation and production of a proposal or for any work performed prior to the issuance of a contract.

6.13 Extent of Services

OGS reserves the right to re-negotiate at its discretion and to reduce the amount of services provided under any contract resulting from this solicitation. This reduction in services shall be effectuated by written amendment to the contract and subject to approval by the Office of the State Comptroller.

6.14 Debriefings

Proposers will be accorded fair and equal treatment with respect to their opportunity for debriefing. Prior to contract award, OGS shall, upon request, provide a debriefing which would be limited to review of that proposer's bid or bids. After contract award, OGS shall, upon request, provide a debriefing to any proposer that responded to the RFP, regarding the reason that the bid or bid submitted by the unsuccessful proposer was not selected for a contract award. The post award debriefing should be requested by the proposer within thirty days of contract approval as posted on the OSC website (web address below).

<http://wwe1.osc.state.ny.us/transparency/contracts/contractsearch.cfm>

6.15 Termination

Termination

OGS may, upon thirty (30) days' notice, terminate the contract resulting from this RFP in the event of Contractor's failure to comply with any of the proposal's requirements unless the Contractor obtains a waiver of the requirement.

In addition, OGS may also terminate any contract resulting from this RFP upon ten (10) days written notice if the Contractor makes any arrangement for assignment for the benefit of the creditors.

Furthermore, OGS shall have the right, in its sole discretion, at any time to terminate a contract resulting from this RFP, or any unit portion thereof, with or without cause, by giving thirty (30) days written notice of termination to the Contractor.

Any termination by OGS under this Section shall in no event constitute or be deemed a breach of any contract resulting from this RFP and no liability shall be incurred by or arise against the Office of General Services, its agents and employees therefore for lost profits or any other damages.

Procurement Lobbying Termination

The OGS reserves the right to terminate the Contract in the event it is found that the certification filed by the Contractor in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, OGS may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.

6.16 NYS Vendor Responsibility Questionnaire

OGS conducts a review of prospective contractors ("Proposers") to provide reasonable assurances that the Proposer is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction contracts and is designed to provide information to assess a Proposer's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a bid, Proposer agrees to fully and accurately complete the Questionnaire. The Proposer acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Proposer is responsible, and that the State will be relying upon the Proposer's responses to the Questionnaire when making its responsibility determination.

OGS recommends each Proposer file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System

Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website, http://www.osc.state.ny.us/vendrep/vendor_index.htm or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us> .

OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Proposers opting to complete the paper questionnaire can access this form and associated definitions via the OSC website at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm .

In order to assist the State in determining the responsibility of the Proposer prior to Contract Award, the Proposer must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the bid due date. A Proposer's Questionnaire cannot be viewed by OGS until the Proposer has certified the Questionnaire. It is recommended that all Proposers become familiar with all of the requirements of the Questionnaire in advance of the bid opening to provide sufficient time to complete the Questionnaire.

The Proposer agrees that if it is awarded a Contract the following shall apply:

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or her designee issues a written notice authorizing a resumption of performance under the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or her designee to be non-responsible. In such event, the Commissioner of OGS or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

6.17 New York State Vendor File Registration

Prior to being awarded a contract pursuant to this Solicitation, the Bidder(s) must be registered in the New York State Vendor File (Vendor File) administered by the Office of the State Comptroller (OSC). This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, unique New York State ten-digit vendor identification numbers will be assigned to your company for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage all vendor information in one central location for all transactions related to the State of New York. If Bidder is already registered in the New York State Vendor File, list the ten-digit vendor ID number on the Contractor Information page included in Appendix B of this solicitation.

If the Bidder is not currently registered in the Vendor File and is recommended for award, OGS shall request completion of OSC Substitute W-9 Form. A fillable form with instructions can be found at the link below. The Office of General Services will initiate the vendor registration process for all Bidders recommended for Contract Award. Once the process is initiated, registrants will receive an email from OSC that includes the unique ten-digit vendor identification number assigned to the company and instructions on how to enroll in the online Vendor Self-Service application. For more information on the vendor file please visit the following website: http://www.osc.state.ny.us/vendor_administration

6.18 Indemnification

The Contractor shall assume all risks of liability for its performance, or that of any of its officers, employees, subcontractors or agents, of any contract resulting from this solicitation and shall be solely responsible and liable for all liabilities, losses, damages, costs or expenses, including attorney's fees, arising from any claim, action or proceeding relating to or in any way connected with the performance of this Agreement and covenants and agrees to indemnify and hold harmless the State of New York, its agents, officers and employees, from any and all claims, suits, causes of action and losses of whatever kind and nature, arising out of or in connection with its performance of any contract resulting from this solicitation, including negligence, active or passive or improper conduct of the Contractor, its officers, agents, subcontractors or employees, or the failure by the Contractor, its officers, agents, subcontractors or employees to perform any obligations or commitments to the State or third parties arising out of or resulting from any contract resulting from this solicitation. Such indemnity shall not be limited to the insurance coverage herein prescribed.

6.19 Force Majeure

Neither party hereto will be liable for losses, defaults, or damages under any contract resulting from this solicitation which result from delays in performing, or inability to perform, all or any of the obligations or responsibilities imposed upon it pursuant to the terms and conditions of this solicitation, due to or because of acts of God, the public enemy, acts of government, earthquakes, floods, strikes, civil strife, fire or any other cause beyond the reasonable control of the party that was so delayed in performing or so unable to perform provided that such party was not negligent and shall have used reasonable efforts to avoid and overcome such cause. Such party will resume full performance of such obligations and responsibilities promptly upon removal of any such cause.

6.20 Encouraging Use of NYS Businesses

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the state and the nation. In recognition of their economic activity and leadership in doing business in New York State, proposers/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Proposers/proposers need to be aware that all authorized users of this contract will be strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Furthermore, proposers/proposers are reminded that they must continue to utilize small, minority and women-owned businesses, consistent with current State law.

Utilizing New York State businesses in State contracts will help create more private sector jobs, rebuild New York's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor's optimal

performance under the contract, thereby fully benefiting the public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of New York businesses by its contractors. The State therefore expects bidders/proposers to provide maximum assistance to New York businesses in their use of the contract. The potential participation by all kinds of New York businesses will deliver great value to the State and its taxpayers.

6.21 Use of Service-Disabled Veteran-Owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at:

http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.

In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded

the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:
<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not

limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

Offerer Disclosure of Prior Non-Responsibility Determinations

Background:

New York State Finance Law §139-k(2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms "Offerer" and "Governmental Entity" are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).

Instructions:

A Governmental Entity must include a disclosure request regarding prior non-responsibility determinations in accordance with State Finance Law §139-k in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts. The attached form is to be completed and submitted by the individual or entity seeking to enter into a Procurement Contract. It shall be submitted to the Governmental Entity conducting the Governmental Procurement.

Procurement Lobbying Termination

The Office of General Services reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the Office of General Services may exercise its termination right by providing written notification to the Offerer in accordance with the written notification terms of this contract.

NYS REQUIRED CERTIFICATIONS

NONDISCRIMINATION IN EMPLOYMENT IN NORTHERN IRELAND MACBRIDE FAIR EMPLOYMENT PRINCIPLES

In accordance with Section 165 of the State Finance Law, the bidder, by submission of this bid, certifies that it or any individual or legal entity in which the bidder holds a 10% or greater ownership interest, or any individual or legal entity that holds a 10% or greater ownership interest in the bidder, either (answer yes or no to one or both of the following, as applicable):

- 1. have business operations in Northern Ireland No Yes , and if yes:
- 2. shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles relating to nondiscrimination in employment and freedom of workplace opportunity regarding such operations in Northern Ireland, and shall permit independent monitoring of compliance with such principles. No Yes

NON-COLLUSIVE BIDDING CERTIFICATION

In accordance with Section 139-d of the State Finance Law, by submitting its bid each bidder and each person signing on behalf of any other bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief:

- 1. The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.
- 2. Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor.
- 3. No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

In the event that the Bidder is unable to certify as stated above, the Bidder shall provide a signed statement which sets forth in detail the reasons why the Bidder is unable to furnish the certificate as required in accordance with State Finance law §139-d(1)(b).

DIESEL EMISSION REDUCTION ACT

Pursuant to N.Y. Environmental Conservation Law §19-0323 (“the Law”) it is a requirement that heavy duty diesel vehicles in excess of 8,500 pounds use the best available retrofit technology (“BART”) and ultra-low sulfur diesel fuel (“ULSD”). The requirement of the Law applies to all vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities. It also requires that such vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

The Law may be applicable to vehicles used by contract vendors “on behalf of” State agencies and public authorities and require certain reports from contract vendors. All heavy duty diesel vehicles must have BART by December 31, 2015 (unless further extended by Law). The Law also provides a list of exempted vehicles. Regulations set forth in 6 NYCRR Parts 248 and 249 provide further guidance. The Bidder hereby certifies and warrants that all heavy duty

vehicles, as defined in NYECL §19-0323, to be used under this contract, will comply with the specifications and provisions of NYECL §19-0323, and 6 NYCRR Parts 248 and 249.

General information

Section 5-a of the Tax Law, as amended, effective April 26, 2006, requires certain contractors awarded certain state contracts valued at more than \$100,000 to certify to the Tax Department that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specified period. In addition, contractors must certify to the Tax Department that each affiliate and subcontractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also file a Form ST-220-CA, certifying to the procuring state entity that they filed Form ST-220-TD with the Tax Department and that the information contained on Form ST-220-TD is correct and complete as of the date they file Form ST-220-CA.

For more detailed information regarding this form and section 5-a of the Tax Law, see Publication 223, *Questions and Answers Concerning Tax Law Section 5-a, (as amended, effective April 26, 2006)*, available at www.nystax.gov. Information is also available by calling the Tax Department's Contractor Information Center at 1 800 698-2931.

Note: Form ST-220-TD must be signed by a person authorized to make the certification on behalf of the contractor, and the acknowledgement on page 4 of this form must be completed before a notary public.

General Information

Tax Law section 5-a was amended, effective April 26, 2006. On or after that date, in all cases where a contract is subject to Tax Law section 5-a, a contractor must file (1) Form ST-220-CA, *Contractor Certification to Covered Agency*, with a covered agency, and (2) Form ST-220-TD with the Tax Department before a contract may take effect. The circumstances when a contract is subject to section 5-a are listed in Publication 223, Q&A 3. This publication is available on our Web site, by fax, or by mail. (See *Need help?* for more information on how to obtain this publication.) In addition, a contractor must file a new Form ST-220-CA with a covered agency before an existing contract with such agency may be renewed.

If you have questions, please call our information center at 1 800 698-2931.

Note: Form ST-220-CA must be signed by a person authorized to make the certification on behalf of the contractor, and the acknowledgement on page 2 of this form must be completed before a notary public.

When to complete this form

As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

- i. The procuring entity is a *covered agency* within the meaning of the statute (see Publication 223, Q&A 5);
- ii. The contractor is a *contractor* within the meaning of the statute (see Publication 223, Q&A 6); and
- iii. The contract is a *contract* within the meaning of the statute. This is the case when it (a) has a value in excess of \$100,000 and (b) is a contract for *commodities* or *services*, as such terms are defined for purposes of the statute (see Publication 223, Q&A 8 and 9).

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned on or after April 26, 2006 (the effective date of the section 5-a amendments).

Use of Service-Disabled Veteran-Owned Business Enterprises
in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at:

http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and

functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions below:

Are you a bidder/proposer that is a NYS-certified SDVOB? Yes No If yes, what is your DSDVBD Control #?

Will NYS-certified SDVOBs be used in the performance of this contract? Yes No

If yes, identify the NYS-certified SDVOBs that will be used below (if more than 4 identified, please attach an additional form):

WITNESSETH:

WHEREAS the OGS is responsible for chiller maintenance, testing, and repair at the Central Air Conditioning Plant in Albany, NY (hereinafter the "State Office Building") and in fulfilling its responsibility deems it necessary to obtain service for chiller maintenance, testing, and repair at the Central Air Conditioning Plant in Albany, NY

WHEREAS, OGS has determined after having solicited proposals from proposers willing to supply these services, that the Contractor submitted the proposal affording the State the best value for such services and that the Contractor possesses the necessary capacity, experience and expertise for provision of Modular Workstation installation of such Modular Workstations, and that Contractor is ready, willing and able to perform such services on the terms hereinafter set forth.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties do hereby agree as follows:

1. CONSIDERATION

OGS shall pay the Contractor for all chiller maintenance, testing, and repair fees and other fees and expenses in accordance with the amounts and rates put forth in the Contractor's proposal attached hereto as Appendix C, which Appendix C is hereby incorporated by reference and made a part hereof as fully as if set forth as length herein. This contract will be established with

a not to exceed value of \$XXXXXX. Services performed beyond this amount will not be compensated.

2. TERM

This Agreement shall commence on December 1, 2016 and terminate on November 30, 2021.

3. SERVICES

The Contractor agrees to perform this Agreement and to furnish the services, labor and materials required in connection therewith in accordance with all the specifications, conditions, covenants and representations contained in the Request for Proposals No. 11916, which is annexed as Appendix B hereto, and the Contractor's proposal, annexed as Appendix C hereto, except as such Appendices B and C have been revised by the terms hereof. Appendix B is hereby incorporated by reference and made a part hereof with the same force and effect as if set forth at length herein.

4. TERMINATION

This Agreement may be terminated in accordance with the termination provisions set forth in the solicitation attached hereto as Appendix B hereof.

A) Termination

The Office of General Service may, upon thirty (30) days notice, terminate the contract resulting from this solicitation in the event of the awarded Bidder's failure to comply with any of the proposal's requirements unless the awarded Bidder obtained a waiver of the requirement.

In addition, OGS may also terminate any contract resulting from this solicitation upon ten (10) days written notice if the Contractor makes any arrangement or assignment for the benefit of the creditors.

Furthermore, OGS shall have the right, in its sole discretion, at any time to terminate a contract resulting from this solicitation, or any unit portion thereof, with or without cause, by giving thirty (30) days written notice of termination to the Contractor.

Any termination by OGS under this Section shall in no event constitute or be deemed a breach of any contract resulting from this solicitation and no liability shall be incurred by or arise against the Office of General Services, its agents and employees therefore for lost profits or any other damages.

B.) Procurement Lobbying Termination

The Office of General Services reserves the right to terminate this Agreement in the event it is found that the certification filed by the Contractor in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the Office of General Services may exercise its termination right by providing written notification to the

Contractor in accordance with the written notification terms of this Agreement.

5. RECORDS

The Contractor will maintain accurate records and accounts of services performed and monies expended under this Agreement. Such records will be maintained for six (6) years following the close of the State fiscal year to which they pertain and will be made available to representatives of OGS or the New York State Comptroller, as may be necessary for auditing purposes, upon request.

6. TAXES

The Contractor will be responsible for all applicable Federal, State and Local taxes and all FICA contributions.

7. INDEPENDENT CONTRACTOR

It is understood and agreed that the legal status of the Contractor, its subcontractors, agents, officers and employees is that of an independent contractor and in no manner shall they be deemed employees or agents of the State of New York and, therefore, are not entitled to any of the benefits associated with such employment or designation.

8. APPENDIX A

Appendix A (dated January 2014), Standard Clauses for New York State Contracts, attached hereto, is hereby expressly made a part of this Agreement as fully as if set forth at length herein.

9. ASSIGNMENT

Contractor agrees that it will not assign this Agreement, or any interest therein without the prior written consent of the Commissioner of General Services.

10. LAW

This Agreement shall be governed by the laws of the State of New York.

11. CONDITIONS PRECEDENT

This Agreement shall not be deemed executed, valid or binding unless and until approved in writing by the Attorney General and the State Comptroller.

12. ENTIRE AGREEMENT

This Agreement constitutes the entire Agreement between the parties hereto and no statement, promise, condition, understanding, inducement or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid and this Agreement shall not be changed, modified or altered in any manner except by an instrument in writing executed by both parties hereto.

13. EXECUTORY CLAUSE

This Agreement shall be deemed executory only to the extent of money available to the State for performance of the terms hereof and no liability on account thereof shall be incurred by the State of New York beyond moneys available for purposes thereof.

14. INCONSISTENCIES

In the event of any discrepancy, disagreement or ambiguity between this contract agreement and Appendix B "Solicitation" and/or Appendix C "Proposal", or between any Appendices, the documents shall be given preference in the following order to interpret and to resolve such discrepancy, disagreement or ambiguity:

- (i) Appendix A
- (ii) This contract agreement
- (iii) Appendix B – Solicitation #11916 including Addenda
- (iv) Appendix C – Contractor's Proposal including Cost Proposal

The parties understand and agree that any and all deviations or exceptions taken by Contractor to the State's Request for Proposal are hereby withdrawn except only to the extent that such exceptions or deviations have been explicitly incorporated into this contract agreement.

15. FORCE MAJEURE

Neither party hereto will be liable for losses, defaults, or damages under this Agreement which result from delays in performing, or inability to perform, all or any of the obligations or responsibilities imposed upon it pursuant to the terms and conditions of this Agreement, due to or because of acts of God, the public enemy, acts of government, earthquakes, floods, strikes, civil strife, fire or any other cause beyond the reasonable control of the party that was so delayed in performing or so unable to perform provided that such party was not negligent and shall have used reasonable efforts to avoid and overcome such cause. Such party will resume full performance of such obligations and responsibilities promptly upon removal of any such cause.

16. ASSIGNMENT BY STATE

The State agrees not to assign this Agreement without prior notice to and reasonable consent of the Contractor provided, however, that this Agreement may be assigned without such consent to another agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the pertinent functions of OGS as an agency are transferred to a successor agency or subdivision of the State.

17. NOTICES

All notices, demands, designations, certificates, requests, offers, consents, approvals and other instruments given pursuant to this Agreement shall be in writing and shall be validly given when mailed by registered or certified mail, overnight carrier or hand delivered, (i) if to the State, addressed to the State at its address set forth above, and (ii) if to Contractor, addressed to Contractor at its address set forth above. The parties may from time to time, specify any address in the United States as its address for purpose of notices under this Agreement by giving fifteen (15) days written notice to the other party. The parties agree to mutually designate individuals as their respective representatives for the purposes of this Agreement.

18. CAPTIONS

The captions contained in this Agreement are intended for convenience and reference purposes only and shall in no way be deemed to define or limit any provision thereof.

19. SEVERABILITY

In the event that any one or more of the provisions of this Agreement shall for any reason be declared unenforceable under the laws or regulations in force, such provision will not have any effect on the validity of the remainder of this Agreement, which shall then be construed as if such unenforceable provision had never been written or was never contained in this Agreement.

20. IRAN DIVESTMENT ACT

By entering into this Contract, Contractor certifies that it is not on the “Entities Determined To Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2012” list (“Prohibited Entities List”) posted on the OGS website at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> and further certifies that it will not utilize on such Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of the Contract will be required to certify that it is not on the Prohibited Entities List before OGS may approve a request for Assignment of Contract.

During the term of the Contract, should OGS receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, OGS will review

such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then OGS shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Contractor in default.

OGS reserves the right to reject any request for renewal, extension, or assignment for an entity that appears on the Prohibited Entities List prior to the renewal, extension, or assignment of the Contract, and to pursue a responsibility review with Contractor should it appear on the Prohibited Entities List hereafter.

21. INFORMATION SECURITY BREACH

In accordance with the Information and Security Breach Notification Act (ISBNA) (Chapter 442 of the Laws of 2005, as amended by Chapter 491 of the Laws of 2005), a Contractor with OGS shall be responsible for all applicable provisions of the ISBNA and the following terms herein with respect to any private information (as defined in the ISBNA) received by or on behalf of OGS under this Agreement.

- Contractor shall supply OGS with a copy of its notification policy, which shall be modified to be in compliance with this provision, as well as OGS's notification policy.
- Contractor must encrypt any database fields and backup tapes that contain private data elements, as set forth in the ISBNA.
- Contractor must ensure that private data elements are encrypted in transit to / from their systems.
- In general, contractor must ensure that private data elements are not displayed to users on computer screens or in printed reports; however, specific users who are authorized to view the private data elements and who have been properly authenticated may view/receive such data.
- Contractor must monitor for breaches of security to any of its systems that store or process private data owned by OGS.
- Contractor shall take all steps as set forth in ISBNA to ensure private information shall not be released without authorization from OGS.
- In the event a security breach occurs as defined by ISBNA Contractor shall immediately notify OGS and commence an investigation in cooperation with OGS to determine the scope of the breach.
- Contractor shall also take immediate and necessary steps needed to restore the information security system to prevent further breaches.

- Contractor shall immediately notify OGS following the discovery that OGS's system security has been breached.
- Unless the Contractor is otherwise instructed, Contractor is to first seek consultation and receive authorization from OGS prior to notifying the individuals whose personal identity information was compromised by the breach of security, the State Office of Cyber Security and Critical Infrastructure Coordination, the State Consumer Protection Board, the Attorney General's Office or any consuming reporting agencies of a breach of the information security system or concerning any determination to delay notification for law enforcement investigations.
- Contractor shall be responsible for providing all notices required by the ISBNA and for all costs associated with providing said notices.
- This policy and procedure shall not impair the ability of the Attorney General to bring an action against the Contractor to enforce all provisions of the ISBNA or limit the Contractor's liability for any violations of the ISBNA.

22. CONTRACTOR RESPONSIBILITY

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or his designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or his designee issues a written notice authorizing a resumption of performance under the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or his designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or his designee to be non-responsible. In such event, the Commissioner of OGS or his designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

CONTRACT NO. OGS01-C00XXXX-1140000

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

General Provisions of Laws Covering Workers on Article 8 Public Work Contracts

Introduction

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed.

Responsibilities of the Department of Jurisdiction

A Department of Jurisdiction (Contracting Agency) includes a state department, agency, board or commission; a county, city, town or village; a school district, board of education or board of cooperative educational services; a sewer, water, fire, improvement and other district corporation; a public benefit corporation; and a public authority awarding a public work contract.

The Department of Jurisdiction (Contracting Agency) awarding a public work contract MUST obtain a Prevailing Rate Schedule listing the hourly rates of wages and supplements due the workers to be employed on a public work project. This schedule may be obtained by completing and forwarding a "Request for wage and Supplement Information" form (PW 39) to the Bureau of Public Work. The Prevailing Rate Schedule MUST be included in the specifications for the contract to be awarded and is deemed part of the public work contract.

Upon the awarding of the contract, the law requires that the Department of Jurisdiction (Contracting Agency) furnish the following information to the Bureau: the name and address of the contractor, the date the contract was let and the approximate dollar value of the contract. To facilitate compliance with this provision of the Labor Law, a copy of the Department's "Notice of Contract Award" form (PW 16) is provided with the original Prevailing Rate Schedule.

The Department of Jurisdiction (Contracting Agency) is required to notify the Bureau of the completion or cancellation of any public work project. The Department's PW 200 form is provided for that purpose.

Both the PW 16 and PW 200 forms are available for completion [online](#).

Hours

No laborer, worker, or mechanic in the employ of a contractor or subcontractor engaged in the performance of any public work project shall be permitted to work more than eight hours in any day or more than five days in any week, except in cases of extraordinary emergency. The contractor and the Department of Jurisdiction (Contracting Agency) may apply to the Bureau of Public Work for a dispensation permitting workers to work additional hours or days per week on a particular public work project.

There are very few exceptions to this rule. Complete information regarding these exceptions is available on the "[4 Day / 10 Hour Work Schedule](#)" form (PW 30R).

Wages and Supplements

The wages and supplements to be paid and/or provided to laborers, workers, and mechanics employed on a public work project shall be not less than those listed in the current Prevailing Rate Schedule for the locality where the work is performed. If a prime contractor on a public work project has not been provided with a Prevailing Rate Schedule, the contractor must notify the Department of Jurisdiction (Contracting Agency) who in turn must request an original Prevailing Rate Schedule form the Bureau of Public Work. Requests may be submitted by: mail to NYSDOL, Bureau of Public Work, State Office Bldg. Campus, Bldg. 12, Rm. 130, Albany, NY 12240; Fax to Bureau of Public Work (518) 485-1870; or electronically at the NYSDOL website www.labor.state.ny.us.

Upon receiving the original schedule, the Department of Jurisdiction (Contracting Agency) is REQUIRED to provide complete copies to all prime contractors who in turn MUST, by law, provide copies of all applicable county schedules to each subcontractor and obtain from each subcontractor, an affidavit certifying such schedules were received. If the original schedule expired, the contractor may obtain a copy of the new annual determination from the NYSDOL website www.labor.state.ny.us.

The Commissioner of Labor makes an annual determination of the prevailing rates. This determination is in effect from July 1st through June 30th of the following year. The annual determination is available on the NYSDOL website www.labor.state.ny.us.

Payrolls and Payroll Records

Every contractor and subcontractor MUST keep original payrolls or transcripts subscribed and affirmed as true under penalty of perjury. Payrolls must be maintained for at least three (3) years from the project's date of completion. At a minimum, payrolls must show the following information for each person employed on a public work project: Name, Address, Last 4 Digits of Social Security Number, Classification(s) in which the worker was employed, Hourly wage rate(s) paid, Supplements paid or provided, and Daily and weekly number of hours worked in each classification.

Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury. The Department of Jurisdiction (Contracting Agency) shall collect, review for facial validity, and maintain such payrolls.

In addition, the Commissioner of Labor may require contractors to furnish, with ten (10) days of a request, payroll records sworn to as their validity and accuracy for public work and private work. Payroll records include, but are not limited to time cards, work description sheets, proof that supplements were provided, cancelled payroll checks and payrolls. Failure to provide the requested information within the allotted ten (10) days will result in the withholding of up to 25% of the contract, not to exceed \$100,000.00. If the contractor or subcontractor does not maintain a place of business in New York State and the amount of the contract exceeds \$25,000.00, payroll records and certifications must be kept on the project worksite.

The prime contractor is responsible for any underpayments of prevailing wages or supplements by any subcontractor.

All contractors or their subcontractors shall provide to their subcontractors a copy of the Prevailing Rate Schedule specified in the public work contract as well as any subsequently issued schedules. A failure to provide these schedules by a contractor or subcontractor is a violation of Article 8, Section 220-a of the Labor Law.

All subcontractors engaged by a public work project contractor or its subcontractor, upon receipt of the original schedule and any subsequently issued schedules, shall provide to such contractor a verified statement attesting that the subcontractor has received the Prevailing Rate Schedule and will pay or provide the applicable rates of wages and supplements specified therein. (See NYS Labor Laws, Article 8 . Section 220-a).

Determination of Prevailing Wage and Supplement Rate Updates Applicable to All Counties

The wages and supplements contained in the annual determination become effective July 1st whether or not the new determination has been received by a given contractor. Care should be taken to review the rates for obvious errors. Any corrections should be brought to the Department's attention immediately. It is the responsibility of the public work contractor to use the proper rates. If there is a question on the proper classification to be used, please call the district office located nearest the project. Any errors in the annual determination will be corrected and posted to the NYSOL website on the first business day of each month. Contractors are responsible for paying these updated rates as well, retroactive to July 1st.

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. To the extent possible, the Department posts rates in its possession that cover periods of time beyond the July 1st to June 30th time frame covered by a particular annual determination. Rates that extend beyond that instant time period are informational ONLY and may be updated in future annual determinations that actually cover the then appropriate July 1st to June 30th time period.

Withholding of Payments

When a complaint is filed with the Commissioner of Labor alleging the failure of a contractor or subcontractor to pay or provide the prevailing wages or supplements, or when the Commissioner of Labor believes that unpaid wages or supplements may be due, payments on the public work contract shall be withheld from the prime contractor in a sufficient amount to satisfy the alleged unpaid wages and supplements, including interest and civil penalty, pending a final determination.

When the Bureau of Public Work finds that a contractor or subcontractor on a public work project failed to pay or provide the requisite prevailing wages or supplements, the Bureau is authorized by Sections 220-b and 235.2 of the Labor Law to so notify the financial officer of the Department of Jurisdiction (Contracting Agency) that awarded the public work contract. Such officer MUST then withhold or cause to be withheld from any payment due the prime contractor on account of such contract the amount indicated by the Bureau as sufficient to satisfy the unpaid wages and supplements, including interest and any civil penalty that may be assessed by the Commissioner of Labor. The withholding continues until there is a final determination of the underpayment by the Commissioner of Labor or by the court in the event a legal proceeding is instituted for review of the determination of the Commissioner of Labor.

The Department of Jurisdiction (Contracting Agency) shall comply with this order of the Commissioner of Labor or of the court with respect to the release of the funds so withheld.

Summary of Notice Posting Requirements

The current Prevailing Rate Schedule must be posted in a prominent and accessible place on the site of the public work project. The prevailing wage schedule must be encased in, or constructed of, materials capable of withstanding adverse weather conditions and be titled "PREVAILING RATE OF WAGES" in letters no smaller than two (2) inches by two (2) inches.

The "[Public Work Project](#)" notice must be posted at the beginning of the performance of every public work contract, on each job site.

Every employer providing workers. compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers. Compensation Board in a conspicuous place on the jobsite.

Every employer subject to the NYS Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers, notices furnished by the State Division of Human Rights.

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the NYS Department of Labor.

Apprentices

Employees cannot be paid apprentice rates unless they are individually registered in a program registered with the NYS Commissioner of Labor. The allowable ratio of apprentices to journeyworkers in any craft classification can be no greater than the statewide building trade ratios promulgated by the Department of Labor and included with the Prevailing Rate Schedule. An employee listed on a payroll as an apprentice who is not registered as above or is performing work outside the classification of work for which the apprentice is indentured, must be paid the prevailing journeyworker's wage rate for the classification of work the employee is actually performing.

NYSDOL Labor Law, Article 8, Section 220-3, require that only apprentices individually registered with the NYS Department of Labor may be paid apprenticeship rates on a public work project. No other Federal or State Agency of office registers apprentices in New York State.

Persons wishing to verify the apprentice registration of any person must do so in writing by mail, to the NYSDOL Office of Employability Development / Apprenticeship Training, State Office Bldg. Campus, Bldg. 12, Albany, NY 12240 or by Fax to NYSDOL Apprenticeship Training (518) 457-7154. All requests for verification must include the name and social security number of the person for whom the information is requested.

The only conclusive proof of individual apprentice registration is written verification from the NYSDOL Apprenticeship Training Albany Central office. Neither Federal nor State Apprenticeship Training offices outside of Albany can provide conclusive registration information.

It should be noted that the existence of a registered apprenticeship program is not conclusive proof that any person is registered in that program. Furthermore, the existence or possession of wallet cards, identification cards, or copies of state forms is not conclusive proof of the registration of any person as an apprentice.

Interest and Penalties

In the event that an underpayment of wages and/or supplements is found:

- Interest shall be assessed at the rate then in effect as prescribed by the Superintendent of Banks pursuant to section 14-a of the Banking Law, per annum from the date of underpayment to the date restitution is made.
- A Civil Penalty may also be assessed, not to exceed 25% of the total of wages, supplements, and interest due.

Debarment

Any contractor or subcontractor and/or its successor shall be ineligible to submit a bid on or be awarded any public work contract or subcontract with any state, municipal corporation or public body for a period of five (5) years when:

- Two (2) willful determinations have been rendered against that contractor or subcontractor and/or its successor within any consecutive six (6) year period.
- There is any willful determination that involves the falsification of payroll records or the kickback of wages or supplements.

Criminal Sanctions

Willful violations of the Prevailing Wage Law (Article 8 of the Labor Law) may be a felony punishable by fine or imprisonment of up to 15 years, or both.

Discrimination

No employee or applicant for employment may be discriminated against on account of age, race, creed, color, national origin, sex, disability or marital status.

No contractor, subcontractor nor any person acting on its behalf, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates (NYS Labor Law, Article 8, Section 220-e(a)).

No contractor, subcontractor, nor any person acting on its behalf, shall in any manner, discriminate against or intimidate any employee on account of race, creed, color, disability, sex, or national origin (NYS Labor Law, Article 8, Section 220-e(b)).

The Human Rights Law also prohibits discrimination in employment because of age, marital status, or religion.

There may be deducted from the amount payable to the contractor under the contract a penalty of \$50.00 for each calendar day during which such person was discriminated against or intimidated in violation of the provision of the contract (NYS Labor Law, Article 8, Section 220-e(c)).

The contract may be cancelled or terminated by the State or municipality. All monies due or to become due thereunder may be forfeited for a second or any subsequent violation of the terms or conditions of the anti-discrimination sections of the contract (NYS Labor Law, Article 8, Section 220-e(d)).

Every employer subject to the New York State Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers notices furnished by the State Division of Human Rights.

Workers' Compensation

In accordance with Section 142 of the State Finance Law, the contractor shall maintain coverage during the life of the contract for the benefit of such employees as required by the provisions of the New York State Workers' Compensation Law.

A contractor who is awarded a public work contract must provide proof of workers' compensation coverage prior to being allowed to begin work.

The insurance policy must be issued by a company authorized to provide workers' compensation coverage in New York State. Proof of coverage must be on form C-105.2 (Certificate of Workers' Compensation Insurance) and must name this agency as a certificate holder.

If New York State coverage is added to an existing out-of-state policy, it can only be added to a policy from a company authorized to write workers' compensation coverage in this state. The coverage must be listed under item 3A of the information page.

The contractor must maintain proof that subcontractors doing work covered under this contract secured and maintained a workers' compensation policy for all employees working in New York State.

Every employer providing worker's compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers' Compensation Board in a conspicuous place on the jobsite.

Unemployment Insurance

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the New York State Department of Labor.

IMPORTANT NOTICE

FOR

CONTRACTORS & CONTRACTING AGENCIES

Social Security Numbers on Certified Payrolls

The Department of Labor is cognizant of the concerns of the potential for misuse or inadvertent disclosure of social security numbers. Identity theft is a growing problem and we are sympathetic to contractors' concerns with regard to inclusion of this information on payrolls if another identifier will suffice.

For these reasons, *the substitution of the use of the last four digits of the social security number on certified payrolls submitted to contracting agencies on public work projects is now acceptable to the Department of Labor.*

NOTE: This change does not affect the Department's ability to request and receive the entire social security number from employers during the course of its public work / prevailing wage investigations.

Budget Policy & Reporting Manual

B-610

Public Work Enforcement Fund

effective date December 7, 2005

1. Purpose and Scope:

This Item describes the Public Work Enforcement Fund (the Fund, PWEF) and its relevance to State agencies and public benefit corporations engaged in construction or reconstruction contracts, maintenance and repair, and announces the recently-enacted increase to the percentage of the dollar value of such contracts that must be deposited into the Fund. This item also describes the roles of the following entities with respect to the Fund:

- New York State Department of Labor (DOL),
- The Office of the State of Comptroller (OSC), and
- State agencies and public benefit corporations.

2. Background and Statutory References:

DOL uses the Fund to enforce the State's Labor Law as it relates to contracts for construction or reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law. State agencies and public benefit corporations participating in such contracts are required to make payments to the Fund.

Chapter 511 of the Laws of 1995 (as amended by Chapter 513 of the Laws of 1997, Chapter 655 of the Laws of 1999, Chapter 376 of the Laws of 2003 and Chapter 407 of the Laws of 2005) established the Fund.

3. Procedures and Agency Responsibilities:

The Fund is supported by transfers and deposits based on the value of contracts for construction and reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law, into which all State agencies and public benefit corporations enter.

Chapter 407 of the Laws of 2005 increased the amount required to be provided to this fund to .10 of one-percent of the total cost of each such contract, to be calculated at the time agencies or public benefit corporations enter into a new contract or if a contract is amended. The provisions of this bill became effective August 2, 2005.

**To all State Departments, Agency Heads and Public Benefit Corporations
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

OSC will report to DOL on all construction-related (ID) contracts approved during the month, including contract amendments, and then DOL will bill agencies the appropriate assessment monthly. An agency may then make a determination if any of the billed contracts are exempt and so note on the bill submitted back to DOL. For any instance where an agency is unsure if a contract is or is not exempt, they can call the Bureau of Public Work at the number noted below for a determination. Payment by check or Journal voucher is due to DOL within thirty days from the date of the billing. DOL will verify the amounts and forward them to OSC for processing.

For those contracts which are not approved or administered by the Comptroller, monthly reports and payments for deposit into the Public Work Enforcement Fund must be provided to the Administrative Finance Bureau at the DOL within 30 days of the end of each month or on a payment schedule mutually agreed upon with DOL.

Reports should contain the following information:

- Name and billing address of State agency or public benefit corporation
- State agency or public benefit corporation contact and phone number
- Name and address of contractor receiving the award
- Contract number and effective dates
- Contract amount and PWEF assessment charge (if contract amount has been amended, reflect increase or decrease to original contract and the adjustment in the PWEF charge) and
- Brief description of the work to be performed under each contract.

Checks and Journal vouchers, payable to the New York State Department of Labor should be sent to:

Department of Labor
Administrative Finance Bureau-PWEF Unit
Building 12, Room 464
State Office Campus
Albany, NY 12240

Any questions regarding billing should be directed to NYSDOL's Administrative Finance Bureau-PWEF Unit at (518) 457-3624 and any questions regarding Public Work Contracts should be directed to the Bureau of Public Work at (518) 457-5509.

Construction Industry Fair Play Act

Required Posting For Labor Law Article 25-B § 861-d

Construction industry employers must post the "Construction Industry Fair Play Act" notice in a prominent and accessible place on the job site.

Failure to post the notice can result in penalties of up to \$1,500 for a first offense and up to \$5,000 for a second offense.

The posting is included as part of this wage schedule. Additional copies may be obtained from the NYS DOL website, www.labor.ny.gov.

If you have any questions concerning the Fair Play Act, please call the State Labor Department toll-free at 1-866-435-1499 or email us at: dol.misclassified@labor.state.ny.us .

New York State Department of Labor
Required Notice under Article 25-B of the Labor Law

**ATTENTION ALL EMPLOYEES, CONTRACTORS AND SUBCONTRACTORS:
YOU ARE COVERED BY THE
CONSTRUCTION INDUSTRY FAIR PLAY ACT**

The law says that you are an employee unless:

- You are free from direction and control in performing your job AND
- You perform work that is not part of the usual work done by the business that hired you AND
- You have an independently established business

Your employer cannot consider you to be an independent contractor unless all three of these facts apply to your work.

**IT IS AGAINST THE LAW FOR AN EMPLOYER TO MISCLASSIFY EMPLOYEES AS
INDEPENDENT CONTRACTORS OR PAY EMPLOYEES OFF-THE-BOOKS.**

Employee rights. If you are an employee:

- You are entitled to state and federal worker protections such as
 - unemployment benefits, if unemployed through no fault of your own, able to work, and otherwise qualified
 - workers' compensation benefits for on-the-job injuries
 - payment for wages earned, minimum wage, and overtime (under certain conditions)
 - prevailing wages on public work projects
 - the provisions of the National Labor Relations Act and
 - a safe work environment
- It is a violation of this law for employers to retaliate against anyone who asserts their rights under the law. Retaliation subjects an employer to civil penalties, a private lawsuit or both.

Independent Contractors: If you are an independent contractor:

- You must pay all taxes required by New York State and Federal Law.

Penalties for paying off-the-books or improperly treating employees as independent contractors:

- **Civil Penalty** First Offense: up to \$2,500 per employee.
 Subsequent Offense(s): up to \$5,000 per employee.
- **Criminal Penalty** First Offense: Misdemeanor - up to 30 days in jail, up to a \$25,000 fine and debarment from performing Public Work for up to one year.
 Subsequent Offense(s): Misdemeanor - up to 60 days in jail, up to a \$50,000 fine and debarment from performing Public Work for up to 5 years.

If you have questions about your employment status or believe that your employer may have violated your rights and you want to file a complaint, call the Department of Labor at 1(866)435-1499 or send an email to dol.misclassified@labor.state.ny.us. All complaints of fraud and violations are taken seriously and you can remain anonymous.

(Labor Law §220, paragraph a of subdivision 3-a)

Effective February 24, 2008

This provision is an addition to the existing prevailing wage rate law, Labor Law §220, paragraph a of subdivision 3-a. It requires contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the *prevailing wage rate* for their particular job classification *on each pay stub**. It also requires contractors and subcontractors to *post a notice* at the beginning of the performance of every public work contract *on each job site* that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her particular job classification. The required notification will be provided with each wage schedule, may be downloaded from our website www.labor.state.ny.us or made available upon request by contacting the Bureau of Public Work at 516-457-5509.

*In the event that the required information will not fit on the pay stub, an accompanying sheet or attachment of the information will suffice.

OSHA 10-hour Construction Safety and Health Course – S1537-A

Effective July 18, 2008

This provision is an addition to the existing prevailing wage rate law, Labor Law §220, section 220-h. It requires that on all public work projects of at least \$250,000.00, all laborers, workers and mechanics working on the site, be certified as having successfully completed the OSHA 10-hour construction safety and health course. It further requires that the advertised bids and contracts for every public work contract of at least \$250,000.00, contain a provision of this requirement.

NOTE: The OSHA 10 Legislation only applies to workers on a public work project that are required, under Article 8, to receive the prevailing wage.

Requirements for OSHA 10 Compliance

Chapter 202 of the Laws of 2007, codified as Labor Law 220-h took effect on July 1, 2008. The statute provides as follows:

The advertised specifications for every contract for public work of \$250,000.00 or more must contain a provision requiring that every worker employed in the performance of a public work contract shall be certified as having completed an OSHA 10 safety training course. The clear intent of this provision is to require that all employees of public work contractors, required to be paid prevailing rates, receive such training prior to the performing any work on the project.

The Bureau will enforce the statute as follows:

All contractors and sub contractors must attach a copy of proof of completion of the OSHA 10 course to the first certified payroll submitted to the contracting agency and on each succeeding payroll where any new or additional employee is first listed.

Proof of completion may include but is not limited to:

- Copies of bona fide course completion card (*Note: Completion cards do not have an expiration date.*)
- Training roster, attendance record of other documentation from the certified trainer pending the issuance of the card.
- Other valid proof

A certification by the employer attesting that all employees have completed such a course is not sufficient proof that the course has been completed.

Any questions regarding this statute may be directed to the New York State Department of Labor, Bureau of Public Work at 514-55696.

WICKS Reform 2008

(For all contracts advertised or solicited for bid on or after 7/1/08)

- Raises the threshold for public work projects subject to the Wicks Law requiring separate specifications and bidding for the plumbing, heating and electrical work. The total project's threshold would increase from \$50,000 to: \$3 million in Bronx, Kings, New York, Queens and Richmond counties; \$1.5 million in Nassau, Suffolk and Westchester counties; and \$500,000 in all other counties.
- For projects below the monetary threshold, bidders must submit a sealed list naming each subcontractor for the plumbing, HVAC and electrical work and the amount to be paid to each. The list may not be changed unless the public owner finds a legitimate construction need, including a change in specifications or costs or use of a Project Labor Agreement (PLA), and must be open to public inspection.
- Allows the state and local agencies and authorities to waive the Wicks Law and use a PLA if it will provide the best work at the lowest possible price. If a PLA is used, all contractors shall participate in apprentice training programs in the trades of work it employs that have been approved by the Department of Labor (DOL) for not less than three years. They shall also have at least one graduate in the last three years and use affirmative efforts to retain minority apprentices. PLA's would be exempt from Wicks, but deemed to be public work subject to prevailing wage enforcement.
- The Commissioner of Labor shall have the power to enforce separate specification requirements on projects, and may issue stop-bid orders against public owners for non-compliance.
- Other new monetary thresholds, and similar sealed bidding for non-Wicks projects, would apply to certain public authorities including municipal housing authorities, NYC Construction Fund, Yonkers Educational Construction Fund, NYC Municipal Water Finance Authority, Buffalo Municipal Water Finance Authority, Westchester County Health Care Association, Nassau County Health Care Corp., Clifton-Fine Health Care Corp., Erie County Medical Center Corp., NYC Solid Waste Management Facilities, and the Dormitory Authority.
- Reduces from 15 to 7 days the period in which contractors must pay subcontractors.

Introduction to the Prevailing Rate Schedule

Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. In most cases the payment or provision of supplements is for each hour worked (noted in the schedule as 'Per hour worked'). Some classifications require the payment or provision of supplements for each hour paid (noted in the schedule as 'Per hour paid'), which require supplements to be paid or provided at a premium rate for premium hours worked. Some classifications may also require the payment or provision of supplements for paid holidays on which no work is performed.

Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website (www.labor.state.ny.us) for current wage rate information.

Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.

PAID Holidays:

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

OVERTIME Holiday Pay:

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays. The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

Following is an explanation of the code(s) listed in the HOLIDAY section of each classification contained in the attached schedule. The Holidays as listed below are to be paid at the wage rates at which the employee is normally classified.
